## SUCCESS

"If you wish to gain success, do not stare up the steps--step on the stairs".

Many students wonder why they are not as successful in their school careers as others. Perhaps they have never learned that inspiration is often 90% perspiration.

To be successful in school life or life at all one must try, try, and try again. There is no royal road to success.

The theme of the yearbook for 1974 is, "School is what you make it". How true this is! I would go even farther and state that, "Life is what you make it". Don't go through school or life complaining about everybody and everything. Do something positive; there are already too many negative people on our planet.

Thanks again to Mr. Arthurs and our hardworking Ad Astra staff for another successful magazine. Your efforts are appreciated by all of us at S.C.I. & T.S.

J.A. Saunders,  
Principal

## ADMINISTRATION

ABOVE: Mr. Stevens enjoys one of his breaks in the men's staff room. He has been our vice-principal since 1968.

ABOVE: We are privileged to have Mr. McCahill return to our school. He was vice-principal at Alexander MacKenzie and now fills the same position at Scits.

## SECRETARIES

BELOW: From the Left: Mrs. B. Borody, Miss M. Long, Miss C. Fell, Mrs. M. McNeil, Miss S. Harness, Miss E. Gander [Head Secretary].

## ART DEPARTMENT

"Art is a Happening." This year at Scits this phrase could not be truer. If you were lucky enough to be able to watch some of our budding artists, you'll know what that phrase means.

Sarnia had a terrific Student Art Show with Scits dominating all the different categories. Talent was found and rewarded. In June, the art classes put on a display and demonstration for the school to show the students, teachers and friends what had been "happening" in the past year in all the art rooms. It also was a huge success! Willy Wolf, a local artist from Corunna, came and sat for the grade thirteens. The charcoal and pastel portraits hung in the halls here for quite some time. Professor Logan also returned to us from Western and did some water colour paintings for the classes. Scits Art and Literary students published their own book, *Free Style*, showing the talent of Scits students in two different areas.

All of the above would not have been possible without the help of our teachers, Mrs. Kurvink, Miss Carter and Mr. Akerstream. Work is done in many different categories, here are a few of them: painting (oil, water, acrylic), etching (charcoal, pastels), macrame, batik, throwing pots, molding clay and weaving. If you are interested in Art, Scits has creative teachers willing to help you explore your interest. After all, as one famous lady has been heard to say, "Isn't it exciting!" (A salute to Mrs. Kurvink)

# ENGLISH DEPARTMENT

English is taught in high school for many reasons. It helps improve your speaking abilities, your appreciation of English writing in the past and present and it is the main form of communication in the world today.

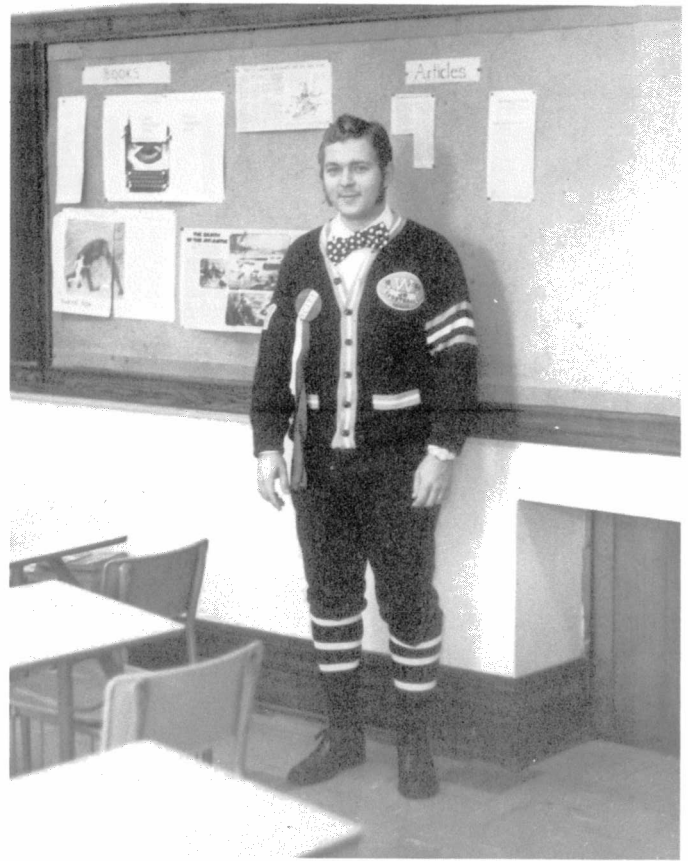

Courses are changed yearly to comply with the needs and wants of the student. Creative Writing was found to be a very worthwhile course this year. Talent in this area is fairly abundant at Scits. Some of the work in the Gallery Division has come from budding writers in Mr. Cape's class. Next year, Mr. Shaver will be teaching an enrichment course in English with special emphasis on journalism. It will be offered at the year four level and should be interesting - if enough students sign up.

There have been a lot of changes in the teachers this year. In June 1973 we lost two hard-working assets, Miss Hoey and Mrs. Leithead. Mrs. Lewis left in October and was replaced by Mrs. Pay, then Mrs. Yule and now Mr. Whitehead. In September, Mr. Whitehead will leave us for his former school, Central. Coming to our humble halls this year we have Miss Gibb, from Althouse College in London. Her principle field is Theatre Arts and we all have enjoyed the plays her classes have performed for us in the auditorium.

One of the new techniques taking place here is that all teachers are making a conscious effort to introduce forms of mass media into their classrooms. Film, newspaper, and television are visual aids which add to the interest of the classes.

Also taking place this year is a curriculum document on Intermediate English being compiled by Mr. Arthurs and representative teachers from all elementary and secondary schools which will represent the basic philosophy of the county English teachers, their aims and objectives.

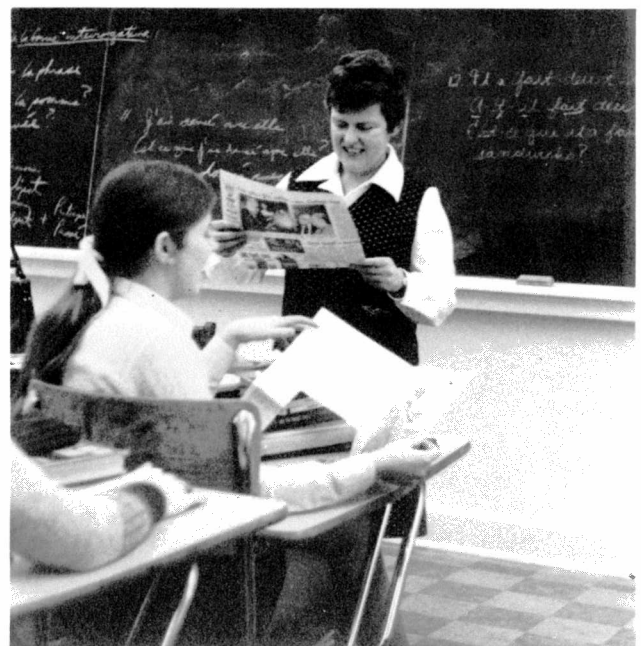

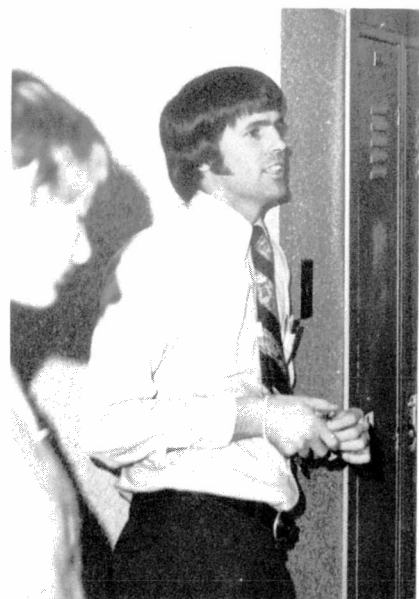

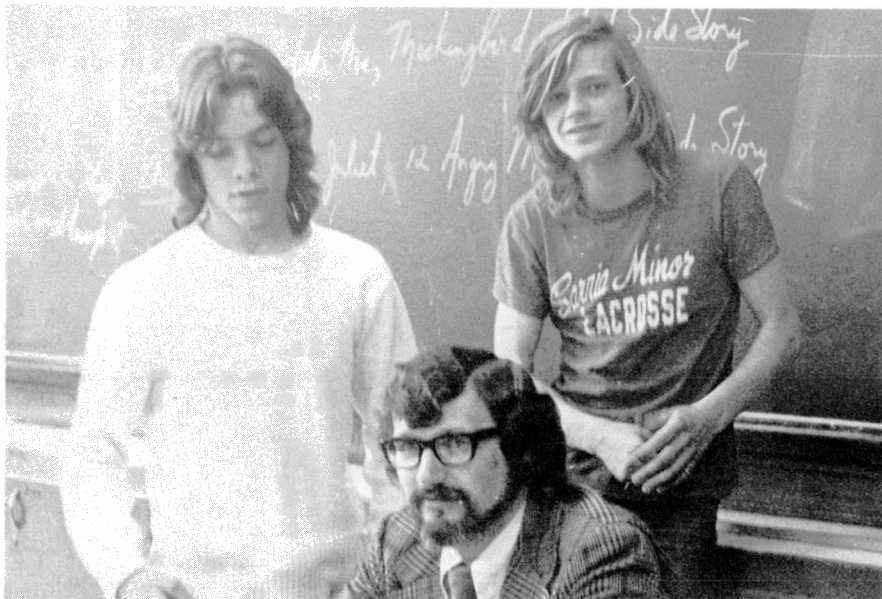

The English Department is one of the largest departments-54 sections of English are being taught here at

*PHOTOS: ABOVE: Mr. Shaver and his special outfit on Dress-Back Day! BELOW: A normal day with Mr. Arthurs and his grade nine class. ABSENT TEACHERS: Mr. Carnagie, Mr. Hall, and Miss Coffey teach part-time English.*

Scits. The teachers of this department take part in many of the activities at our school. Some of them are: the Southerner (school newspaper), Ad Astra, Scits Revue and many Drama presentations.

# COMMERCIAL DEPARTMENT

The Commercial Department fills an important role in training students who want jobs in the business world. Such courses as shorthand, accounting, typing, data processing and bookkeeping are offered at Scits.

Mr. Irvine, Director of the Commercial Department is kept busy running the office smoothly but finds time to teach some of the courses, one being the accounting course taken by some grade thirteens.

This department is well supplied with able teachers who specialize in their subject. The teachers are: Miss J.C. Clare, Mr. J.R. Kinchsular, Mr. C. MacDonald, Miss J.L. Stepinski, Mr. W. Choptovy, Mr. B. Gambacurta and Mrs. M.D. Simpson who is Assistant Head.

*TOP RIGHT: Mr. J. Irvine, Director. MIDDLE LEFT: Judy Riley displays her typing skills. MIDDLE RIGHT: Mr. Gambacurta. BOTTOM LEFT: Mr. Choptovy. BOTTOM RIGHT: Miss Clare.*

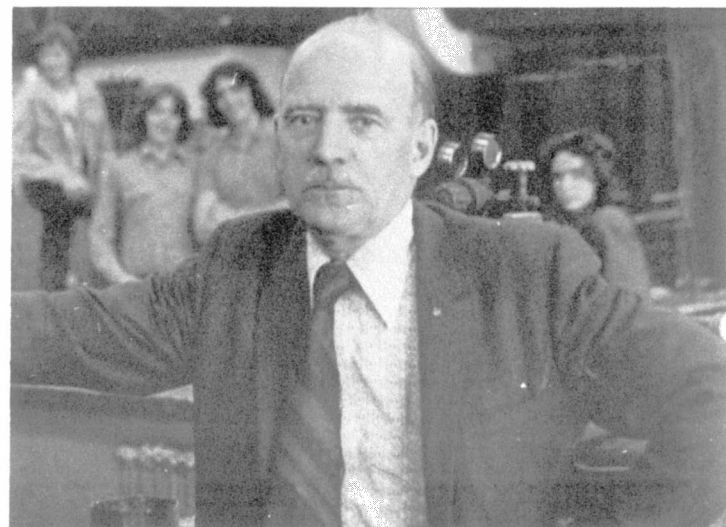

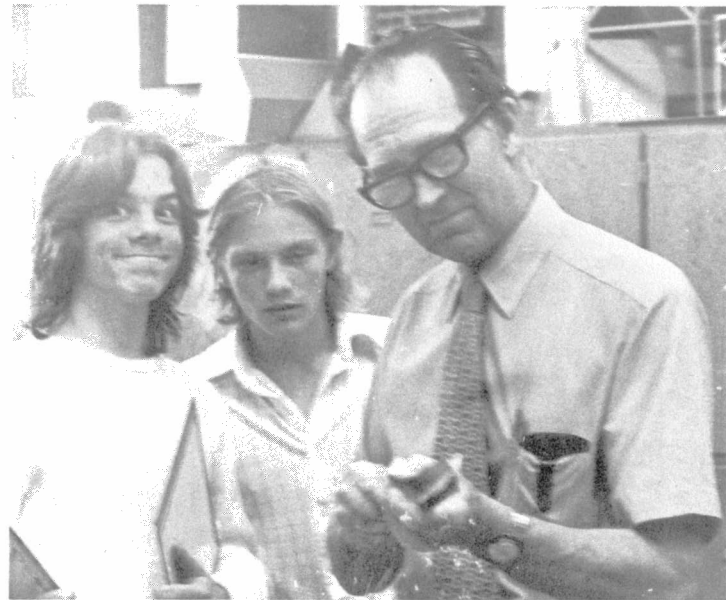

## TECHNICAL DEPARTMENT

"Preparing you for the future". This would be an appropriate motto for the Technical Department. The trades the students learn help fit them for jobs in the future. Some of the subjects that are offered in this area at Scits are: Welding, Woodwork, Metal Trades, Auto Mechanics and Drafting. This area of study has many teachers who are specialized in the subject they teach. Teachers are: Mr. Ditta - Head of the Technical Department, Mr. Wilker, Mr. Anderson, Mr. Zigmond, Mr. Gulliford, Mr. Bradley, Mr. Beamer, Mr. Corns, Mr. Ellis, Mr. Holmes. Unfortunately, Mr. Anderson will not be with us next year. His excellent teaching and friendly personality will be missed by all those who knew him well. Scits has lost a fine teacher.

Now a note to the girls at our fair school. If you are sincerely interested in taking one of the shops then the Technical Department wants you! It may take a little pulling and pushing but "hang in there" and try. (Talk a few of your welding girl friends into signing up). The Technical Department would like it to be know that "They are not Chauvinistic". Girls, it is now up to you!

*TOP LEFT: Mr. Ditta. MIDDLE LEFT: Mr. Beamer. BOTTOM LEFT: Mr. Ellis. MIDDLE RIGHT: Mr. Wilker and two of his students give us "the eye". BOTTOM RIGHT: Mr. Corns.*

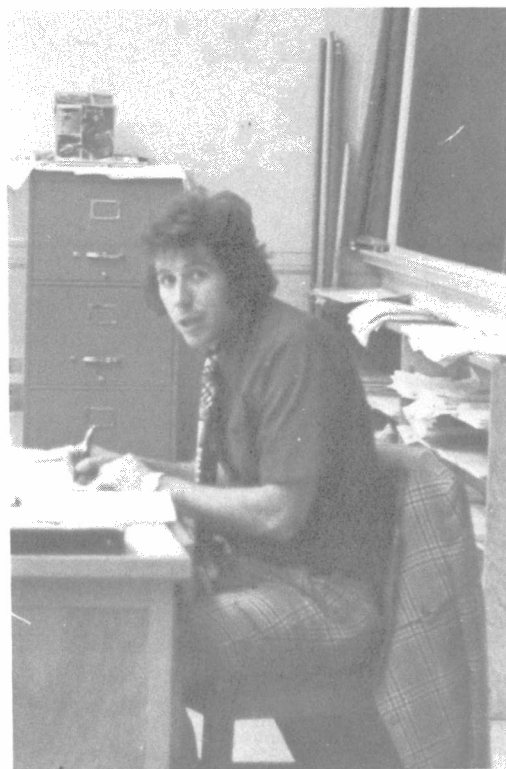

## GEOGRAPHY DEPARTMENT

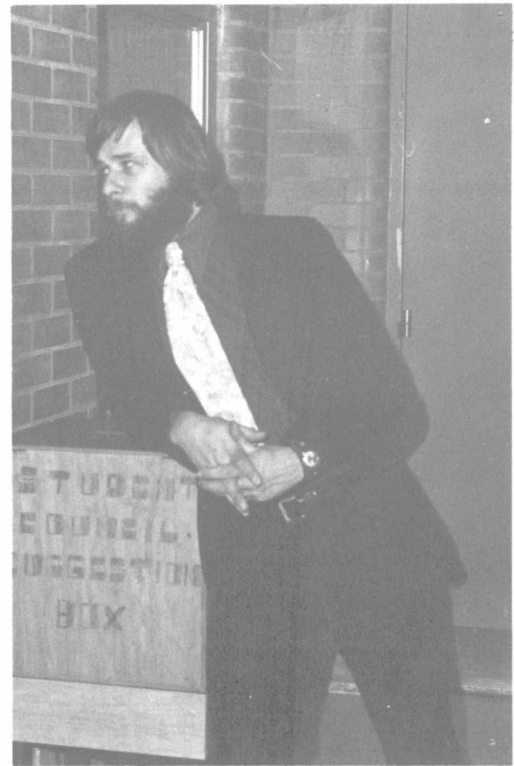

This subject which is a form of science gives students an insight into the world and its occupants. Regional Geography is offered at all levels while Urban Geography, a study of cities and its problems and effects, is taught in grade twelve. Along with our usual teachers, a new staff member joined this department at Scits. Mr. Holmes comes to us from Watford and plans to stay on here at Scits.

This year's grade thirteen geography class combined with the thirteen biology class for a field trip to Rock Glen on May 24th. The group enjoyed this time out of the regular class room. Fossils and the rock formation were some of the more interesting material found at this site. It is hoped that more trips of this nature will become part of the courses offered in geography.

Teachers in this department are: Mr. Schieck - Department Head, Mr. Scott - Assistant Head, Mr. Tyro, Mrs. Currie (part-time), Mrs. Kennedy, Mr. Holmes and Mr. Alexander.

*PHOTOS: RIGHT: Mr. Alexander hard at work in his classroom. BOTTOM LEFT: Mrs. Kennedy and her winning smile. BOTTOM RIGHT: The head of the Geography Department, Mr. Schieck.*

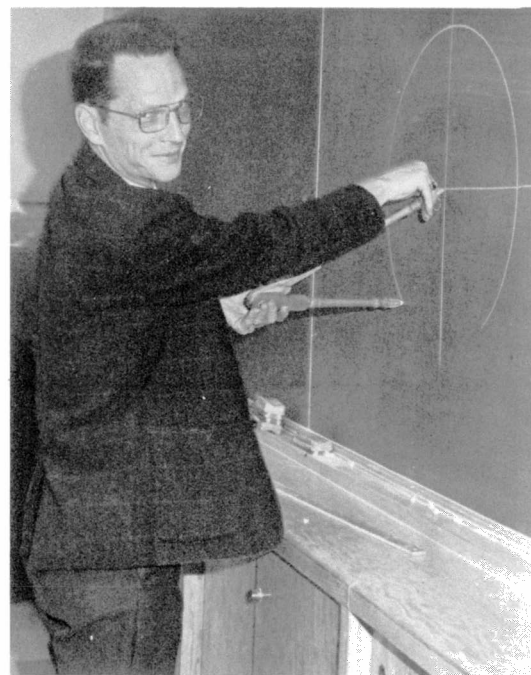

## HISTORY DEPARTMENT

History is in the making everyday. No wonder it is an important subject viewed by young and old from all walks of life.

There are courses at Scits which cover many areas: reformation period, middle ages, World War I & II, different political systems, Canadian and American history in detail and the economic welfare of Canadians.

Mr. Phillips is Head of this department and Mr. Barkwell who teaches economics as well as history, is Assistant Head. The Man In Society course is taught by Mr. Burrows. Mr. Capes and Mr. Puppi teach history in a number of grades.

*PHOTOS: TOP LEFT: Mr. Barkwell poses for the camera. TOP RIGHT: Mr. Burrowes leaning on his favourite box. BOTTOM: The head of the History Department, Mr. Phillips.*

## MATHEMATICS DEPARTMENT

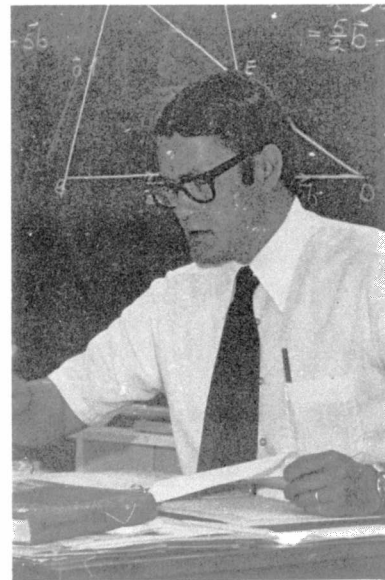

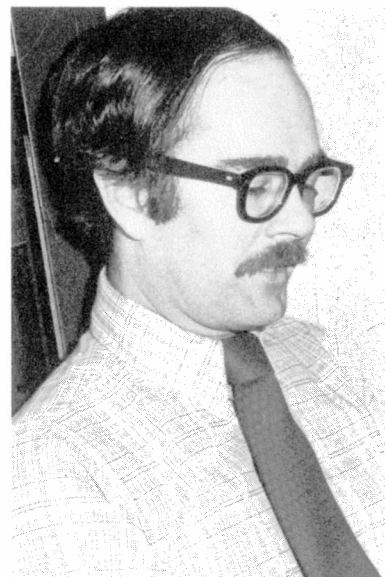

Mathematics is making a change which will benefit those students wishing to transfer from level four to level five and vice-versa. Level four mathematics is becoming more of a general course rather than being a technical or commercial course.

Three new courses have come into being in this area. MAT 161 and MAT 261 are advanced courses which provide an enrichment for students with a high mathematical aptitude. CSC 351 is a basic course in computers and computer programming.

Mr. Mitchell is now teaching full time science at Sciits. However, to our ranks, a welcome addition-Mr. Robinson, has appeared. (from Althouse!)

The Mathematics Department has a rather large teaching staff. The teachers are: Mr. W.T. Scott-Head, Mr. Downie, Mr. Farrar, Mr. Hazzard, Mr. Kendall, Mr. Robinson, Mr. Sprenger, and Mr. Wells.

*PHOTOS: TOP LEFT: Mr. W. Scott shows off his grade 13 class of strong men! TOP RIGHT: Mr. Downie gives us the "eye" as he draws profound lines on the board. MIDDLE RIGHT: Mr. Hazzard. MIDDLE LEFT: Mr. Sprenger. BOTTOM LEFT: Mr. Robinson. BOTTOM RIGHT: Mr. Farrar.*

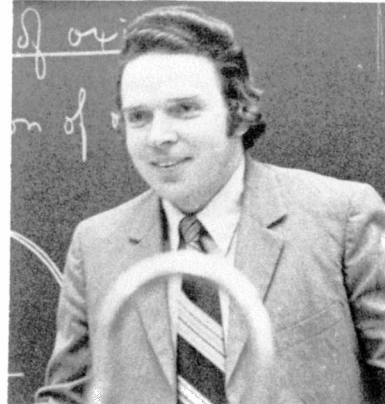

## SCIENCE DEPARTMENT

Science can be very interesting to those people interested in the physical world around us. This year at Scits, a laser beam was added to the equipment now in use in the Physics section.

Physics, Chemistry, Biology and Science are the four areas of study. Two new courses are slated for the 74-75 year. SCI 241 is an experimental approach to the ecology of animal and plant life in the soil, and to the chemical and physical characteristics of the soil. BIO 341 is a survey of processes and functions of the animal and plant kingdoms. This will open the Science field up to those students at the four year level.

TOP LEFT: Mr. McCord takes a stroll.  
TOP RIGHT: Mr. Bennett in the lab.  
BOTTOM: Department Head, Mr. Bakker and Helen Swan dissect a rat.

## MODERNS DEPARTMENT

The Moderns Department is a very important part of those students wishing to learn to communicate with people of foreign languages. It is the objective of each teacher to promote an interest in, and a desire to master the language he or she teaches.

Mr. Little teaches German and French. He is also the head of this department. The Latin expert is Mr. McLellan. He also finds time to instruct French. Our lady language teacher, Miss Coffey, teaches German. Mr. Carnegie is known for his great vocabulary in both the Spanish and French languages.

Next year at Scits, two new courses will be open to our students. At the grade eleven level, a modern up-to-date course in French will be introduced. It will be aimed in interest at today's teenager. Grade twelve Spanish will be instructed by Mr. Carnegie. This course will deal with the daily lives of the people of Spain and Spanish America. It is hoped that the students at Scits will take full advantage of the courses available.

*PHOTOS: RIGHT: Mr. Little - Head. BOTTOM: Mr. Carnegie helps out in the library. Mrs. Barkwell's "right hand man"!*

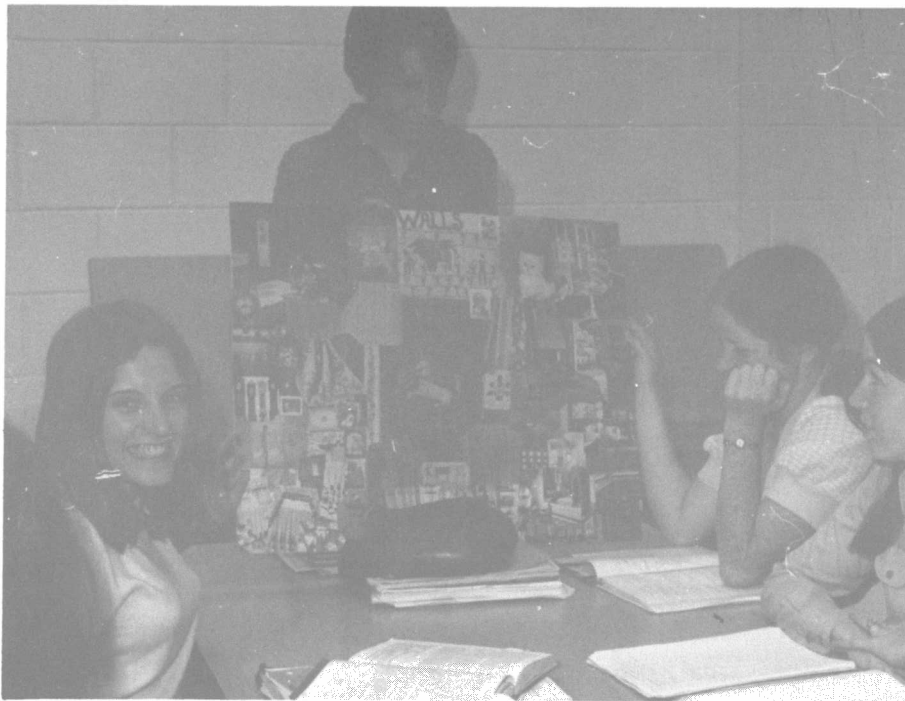

## HOME ECONOMICS DEPARTMENT

Home Economics has become a class for both the boys and the girls at Scits, at least at the grade thirteen level. This year Miss Duke, the department head, taught two full mixed classes. The topics covered were of a wide variety but all centered around the family. Of course, in the other grades you can still learn to sew and cook. Mrs. Vosburg is the able teacher in this area (she also became a mother this year!) Mrs. Thompson also knows her subject in these areas. Some of topics covered in the lower grades are nutrition, home management, consumer education, wardrobe planning and clothing construction. In grade 11 they move into the area of foreign foods and special entertaining. Child care is also discussed at this level. On the whole, we can see how this subject fits very well into our day to day lives and therefore should be given the consideration it deserves.

*PHOTOS: LEFT: Miss Duke-Head. BOTTOM LEFT: Liz Walker gives a presentation to Colleen Johnson, Sylvia Whitsitt and Barb Pigeon.*

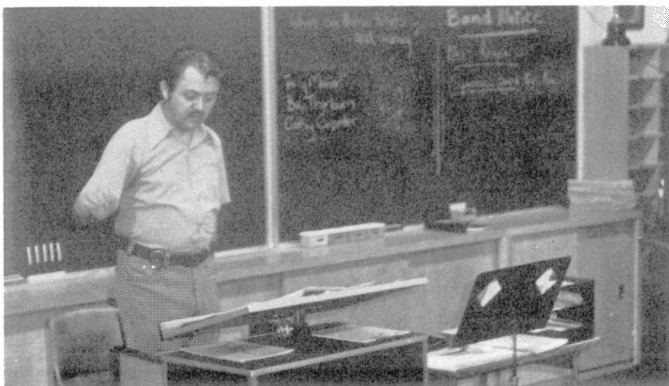

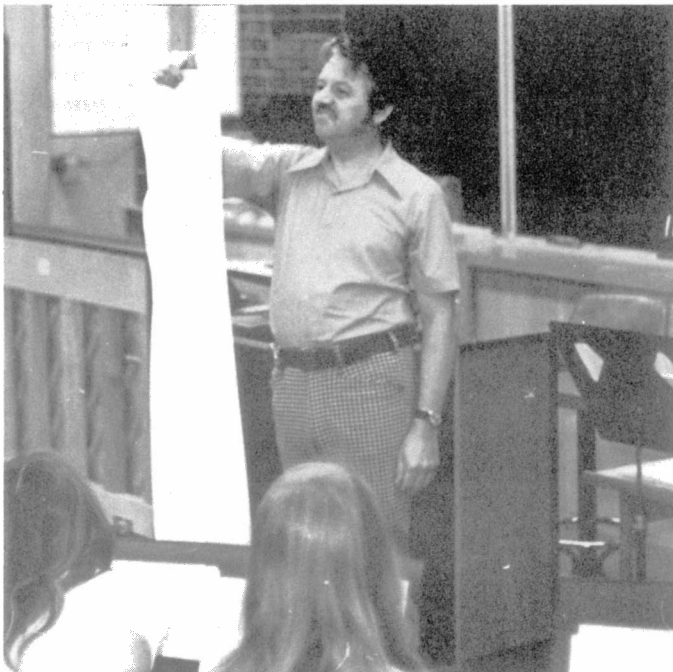

# MUSIC DEPARTMENT

Our Music Department is headed and staffed by one fine and accomplished musician - Mr. D. Jolley. His dedication to his students and their talent just has to be admired. The Senior Band practices long hours to reach the high quality of perfection we see displayed in the many assemblies they take part in.

Grade Nine students choose either a wind or percussion instrument to begin their music "career". Lots of hard work on their instrument might earn them a place in the Band!

As always, our Stage Band and Senior Band performed well in the Music Festival. Keep up the good work, Mr. Jolley and we expect even greater musicians this coming year. (If that's possible!)

*THIS PAGE: TOP RIGHT: Barb Jackson and Donna Watson smile for the camera! CENTER RIGHT: Carol Shaw and Jane Grabovi show their abilities to perform with concentration in the Sr. Band. # GUIDANCE DEPARTMENT

Sooner or later, every student has some contact with the Student Services Department. Whether you're in Grade Nine wanting help with your course selection or in Grade Eleven, needing to change from one subject to another, or perhaps Grade Thirteen, needing advice on which university is best suited for you, our counsellors are there to help you-the student.

Counsellors work with specific day to day problems or questions in all fields: education, social, personal and vocation.

Three or four times a year, students receive a Newsletter which purpose is to introduce or remind students of important dates and other communication regarding school programs and functions.

The Student Services office is open for your use throughout the day. The information on display is for your use and ask Miss Harness or one of the counsellors for any material which you might not be able to find, but are interested in.

Teachers are: Mr. D.W. Smith, Mr. Hall, Mrs. Murray and Miss Mitchell.

*PHOTO: RIGHT: Mr. Smith at work in his office. BELOW: Mr. Smith and Mr. Hall attend a birthday party for Libby Bround (seated at left) in Mr. Arthurs' "Tea Room". Seated at the left is Georgia Cruikshank who flew in for the occasion.*

## SUPPORTIVE STAFF

No school would function properly without two very important division. They are the Janitorial Staff and the Cafeteria Staff. At Scits, we are lucky because we have such friendly people performing their services for us. We appreciate the fine job they do for us. Thanks!

**KATHY BARRY**

Kathy can usually be found sauntering the halls in no great hurry to get to class, as Mr. Scott well knows. A refugee from St. Pats, she found a new home at Scits.

**LIBBY BROUND**

Libby is one of the quiet girls around Scits. She should do well in her future pursuit of a wealthy old man. (Keep on saving Pete!)

**DALE BROWN**

Dale has been accomplished in math since grade nine, although she is too modest to admit it. Her future looks bright and we are sure Dale will succeed at whatever she goes into.

**SHARON BUDNICK**

Sharon has dedicated her last year at school to biological research, particularly concerning the heart. Knowing the high risk of heart attacks, Sharon has decided to eliminate any slightly strenuous activity until she reaches middle age.

**CATHIE BUCK**

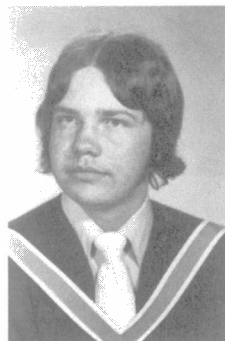

Cathie is one of the silent girls in grade thirteen. Being president of the Library Club, she spends her days between the book shelves. Her ambition is to become a legal secretary.

**LAURA BUCK**

Laura tries to be a very devoted chemistry student and is usually found in room 315. She's active in the Library Club and in the future she hopes to be flying with the birds on Trans-World Airlines.

**LORNE CALLUM**

You can usually find ole Lorne strolling along the halls at Scits. He has also been seen trying to play tennis in the pouring rain. Such dedication is to be admired. Right Lorne?

**DOREEN CONANT**

Doreen is well-liked by her classmates. She is a percussionist with the band and should do an excellent job in her pursuit of music at university.

**ROBERT CRANMER**

"R J" can be seen clicking pictures of the girls at school. He is also known for his twitching eye-brow which follows any comment he might make. Mr. Barkwell will be relieved to know that next year his chalk supply will be up to 99%.

**SCOTT DARRACH**

This year Scott has added much to Miss Mitchell's Canadian literature class. His numerous comments will be remembered by all these lucky enough to hear them. (numerous comments?)

#### TIM DUNLOP

Tim could always be found in the Sarnia Arena playing with the Bees. Since then he's been getting into drinking shape for the summer. His future plans include either becoming a great chemist or a terrific hockey star.

#### CAROL EAGLES

Carol the "Southerner Star" was always tops in her English classes. Her fluency with this and any other language leaves nothing to be desired. Carol, very artistically inclined, designed a teapot canvass. A what?

#### BARB EVANS

Barb is undoubtedly the prettiest, smartest and most popular girl in 13C. She is the only girl in 13C. A newcomer from Central last year, Barb was editor of this year's Ad Astra.

#### CINDY FEKKEN

Cindy, renowned for her talents with the clarinet, is one of Mr. Jolley's numerous groupies. When finished at Scits, she plans to go into the field of psychology. Indubitably, in her effectual manner, Cindy will remain the supereminent student we all know her to be.

#### MARIO GALIZIA

Mario, Mr. Popular?, is a busy boy this year. He divided his time among a number of activities including being the editor of our newspaper. He plans on becoming a dentist if he can give up his first love. (making pizzas)

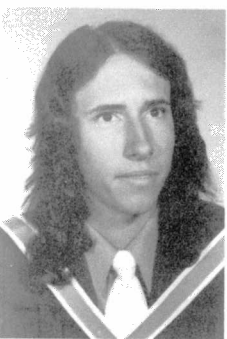

#### JANET GARDINER

Captain of our cheerleaders, Janet is well known by everyone. She can frequently be found leaning on the student council box with Mr. Burrows. Her ambition is to raise little hockey players. (S.S.)

#### ROBEN GARRISON

Known as "Bird" to everyone, she is an active student. You'll find her either playing volleyball or basketball (when not complaining about her knee), in the gym or slinging hot dogs at the Mooretown Arena.

#### GORDON GRIEVE

Gord can be found at the real swanky restaurant, The Greasy Spoon during the wee hours of the morning. He always participates in class discussions when not sleeping at the back of the room.

#### KITCH GRIEVE

"Mr. Charm" is one of the most delightful pleasant students to ever grace the halls of Scits. Kitch takes time out each evening, from sharpening his sarcasm, to fit in several hours of homework and remedial reading.

#### MARGARET GRIMES

Muggsie (Baby-Face) dedicated her years at Scits to perfecting her art of deception. Few haven't been fooled by her straight face and sincerity. Marg should do well in her career, provided the shock of having to work doesn't kill her.

### JANET GUDRIE

Janet is an active Spades Club member and can be seen strolling the halls with a certain M.G. between classes. Although she plans to become a physical therapist, we all know her main ambition is to speak Italian!

### LARRY HAMELIN

Larry can be seen walking to and from rooms with his classy white runners. He is also known for his feats in weight lifting and when it comes to Mr. Bakker's class, he is no slouch. Larry spends his evenings studying for brilliant answers for the next day.

### DAN HANSEN

You can tell by the look on Dan's face that his five long years at Scits is up. Next year he hopes to become a chemist at Lambton U. Good luck Danny!

### MIKE HARDY

Mike has been active on the football team for the last three years. He is also one of Mrs. Kurvink's more productive art students. Mike has a low voice. Have you ever heard it?

### SUZANNE HARROWER

One will always be able to detect Suzanne's presence in the hall by her obnoxious laughter. She is very active in our school band and is vice-president of Spades. She'll make a terrific nurse.

### ROSEMARY HAWKINS

"Rosie" can always be found sipping hot tea in the "tea room". Her personality and sense of humour attracts many. She has made many people happy by showing off her talent in the "Walla Bunch".

### KEVIN HERRON

Kevin is usually good for a laugh and a conversation. Always says he is going to quit school, even from the beginning of the year. He will go a long way if he sells his Volkswagen.

### JAN IRVINE

Jan attends her classes whenever she isn't busy starring in a Broadway musical masterpiece. She is very helpful and when not lending a hand, can be found talking about a certain American.

### PETER JAMIESON

Pete is a part-time car dealer who hopes to win the John Denver look-a-like contest someday. Good luck John...er-um Pete!

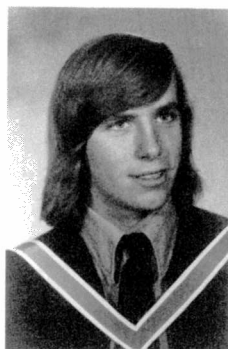

### GAYLE JARVIS

Gayle is an ambitious girl. She tackles the hard job of playing first french horn in the band. Her future (still) looks bright.

### BRENDA KEYS

Brenda is one of Mr. Jolly's drummer wonders. She can be seen going to music concerts and in her spare time she cooks and sews and taps her fingers on tables!

### JOHN KIRBY

Although John is very quiet, he is well known and liked throughout the school. Being such an ambitious person, John has a promising future to look forward to.

### JERRY LALONDE

Jerry is an excellent student but he is obsessed with the idea of making one Vauxhaul out of fifteen others. He also enjoys such sports as lifting VW's onto gym roofs.

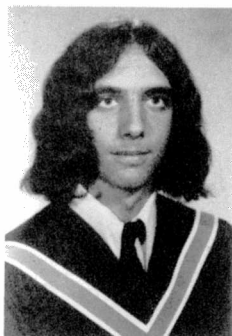

### RON LARIVIERE

Ron did not spend a long time with us but we enjoyed having him here for his short visit. We wish him all the best in the future.

### JOE LAVERS

Joe enjoys school very much. It is told that he is studious in one field especially. However for further information please speak to Joe. We'll never tell!

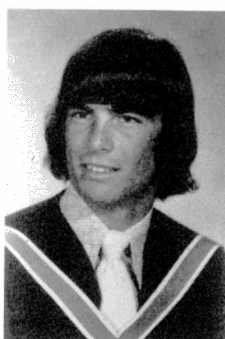

### TOM LE FAIVE

Tom is a really nice guy. He is one of our best trumpet players in the band. He works on our school newspaper and can be seen serving up prime beef steaks at a certain restaurant.

### ANNE MACINNES

Anne was this year's proud recipient of Barkwell's Busy-Body Bursary for days of dedicated hard labour in the library. When not smuggling in overdue books, Anne can usually be seen laughing over her own jokes filling an otherwise empty void.

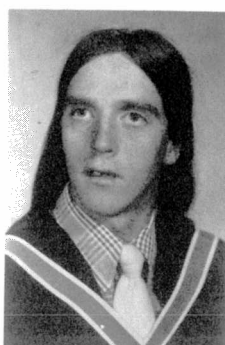

### JOHN MATTINGLEY

John has carried on the Mattingley tradition at Scits. He excels at athletics and academics and also a certain long blond haired cheerleader. John sure has got what it takes!

### MARY MCDONALD

Mary knows everyone and everyone knows Mary! Since her arrival from St. Pat's Mary has made many friends and can be recognized by her toothy smile and her hilarious jokes. Mary spends her spare time sipping tea and planning parties.

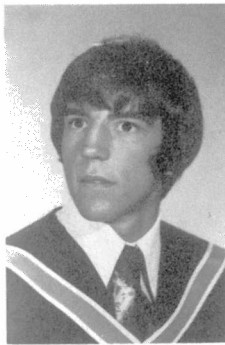

### DAN MCHENRY

Dan is a fine basketball star and scored more points in a game than he did on a term exam. He is the pet of Miss Duke's home economics class and may be the next "Galloping Gourmet"!

### NORA MCLEAN

Nora's chief ambitions in life are to become manager of the button department at Lizanne's and to nab Stan. She would like to someday win a game of tennis. Start playing Riggs Nora!

### JOE MIHALICH

Mr. Barkwell's favourite student. Joe is always making someone laugh with his wise cracks. "Here for a good time not a long time".

### ANDY MOORCROFT

When you talk of being late in the morning your mind turns to Andy. All of this slowness is probably due to his general hard working nature which he exhibits at Woolco Inc.

### CATHY MORRISON

Cathy is liked by all. She has spent this year trying to tell people her questions are really important and that she isn't a dumb blond. Just ask Mr. Phillips, right Cathy?

### DEBBIE MUNDAY

Deb is what some may call another Bach or Beethoven—modern style. You see her in any festival, ripping off her competitors, very deservedly. She finds it easy to soften the tough Mr. Downy.

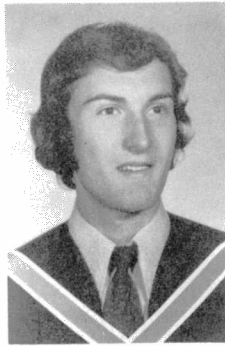

### JOHN MUNRO

A fine upstanding gentleman from Pt. Edward? Oh well, you can't win them all. I like you anyway. (Who's John?)

### RUTH NORTON

Ruth is quite active at school. She has participated in the Band, Students' Council, G.A.A. Curling and other sports. She is going into anthropology at university.

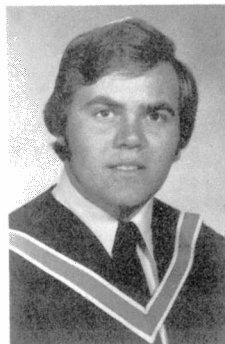

### BOB O'NEILL

Bob is a student who strives for 101 percent. It is not unusual for him to achieve it either. Bob has got it. (Got what?)

### MIKE PACKER

Mike (The Individual) starred through high school as the man in gymnastics. When not meditating in the woods, Mike studies philosophy and readily will give you a head shrinking session.

### GLENN PROZOROWICZ

A foreigner from the streets of Courtright, Glenn fits right in to Scits life. Good luck in the future!

**ERIC PUURUNEN**

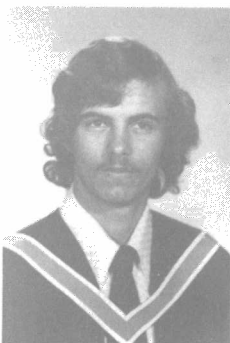

Eric is one of the few fortunates in Mr. Barkwell's class who doesn't get yelled at. He is hoping to become older in the future.

**MAUREEN QUINLAN**

Maureen is our present star gymnast. However, she has this problem "tripping" up stairs and keeping her shoes on.

**BRAD REDMOND**

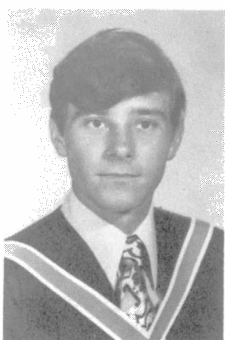

Brad sat behind Eric in the English class. He left school to get a job or take driving lessons. We missed you Brad!

**FRANCES SCOTT**

The girl with the red hair and freckles. Frances can be seen almost anywhere, smiling at someone. We think you'd make a great nurse!

**JO-ANNE SHARP**

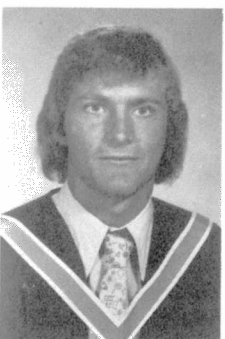

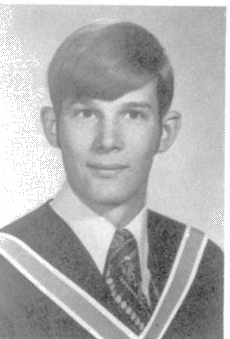

Jo is an active member of the 4-H Dairy Calf Club. In the future, if she can break away from the farm she hopes to become a nurse.

**RICK SKUTA**

Rick has been active for the past two years, portraying the role of a soccer superstar. His ambition is to be the greatest military man since Beetle Bailey.

**JEFF SLOAN**

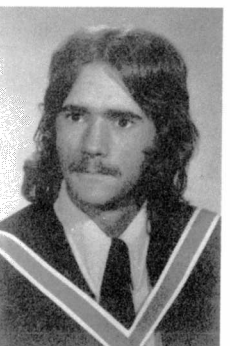

Jeff can be seen throughout the school halls, walking with one eye closed and saying, "say cheese". He is one of the more valuable students of Scits with great sights in the field of medicine.

**TERRY SMITH**

Terry is a well known figure throughout the school. He is admired for his devotion and his strenuous efforts in athletics.

**AL STACEY**

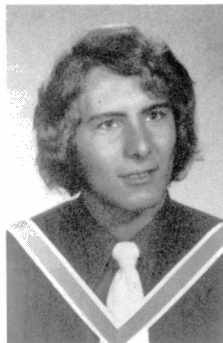

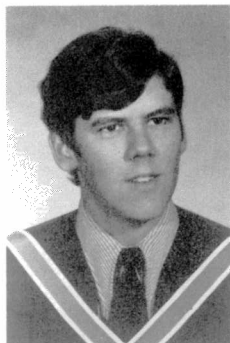

Al is usually quiet in classes, but after school he can be found speeding the streets of Corunna to make an important drug delivery.

**HELEN SWAN**

Past president of Spades Club and now president of Letterman's Club, Helen's cheerful face is well known around Scits. She can often be seen trying desperately to complete her membership in the 50-Mile Club.

**BOB SYMINGTON**

Bob, a quiet fellow, has reported after long deliberation that "I don't want anything said about me in the yearbook". However, it is known that Bob plans to spend his future pushing tires at C.T.C.

**LEO THERRIEN**

This Chatham Import is very up on hockey, drinking, chryslers and Corunna. Leo will be a workie next year.

**ANNE TITHECOTT**

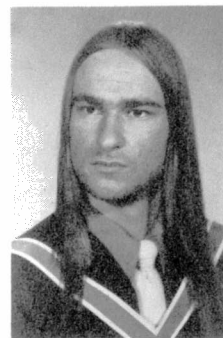

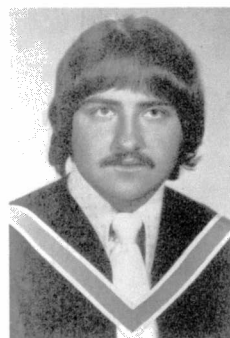

Anne is one of Scits' great musicians. She can be seen in the band playing the oboe, bassoon and alto saxophone. She is one of Mr. Jolly's star students. Good luck Anne in the future!

**DAN THORNER**

You can often hear Dan singing in the hallways. Dan has participated in all major sports through school such as ping pong, volleyball, and badminton. Keep on singing Elvis!

**JIM THORNER**

Jim is a very good student and well-liked by everyone. He has a super car and can be seen speeding up Brock Street with anyone who will give him a drag.

**JOHN VIRTANEN**

John left us in the middle of the year for a very good job. We'd all quit if we could do as well as you John.

**JOHN WILLIAMS**

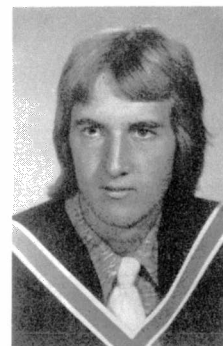

John is an outstanding member of the Scits' Football Team. He is interested in wine, women and song. His ultimate goal in life is to soup up his van and make a clean getaway.

**SHERRILL WILLOCK**

Sherrill's current interests are playing trombone in the band and being a good French student. She hopes to study French and English at Wilfred Laurier next year and possibly go into teaching.

**TERRY WRIGHT**

Terry is the only student in the economic class who writes notorious cartoons in the back of his notebook. He also can be seen drawing up a storm in Miss Duke's class.

**PETER WUNDER**

Pete, commonly known as Speedy, is an avid biker who gets along well with Sarnia cops and can be seen every second period at the bowling alley.

## COUNCIL HAS BUSY YEAR

This year the Students Council has had one of the best years, thanks to the tireless efforts of our president Roman Zydownyk.

The main purpose of the Students Council is to provide an organization representing the entire student body.

In the council this year, there was a junior vice, Jim Oliver. The students of grade nine and ten were able to represent their own views and attitudes.

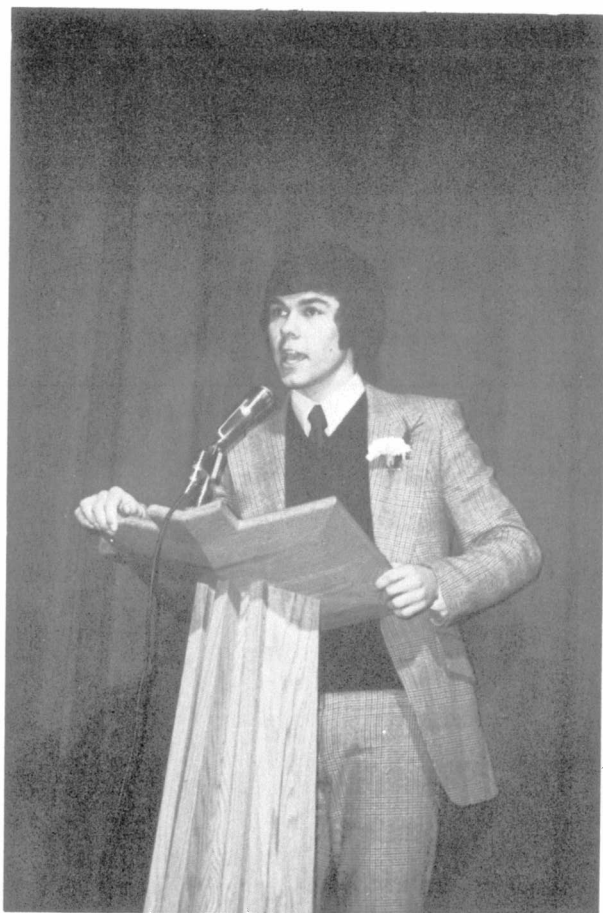

Every Monday at 3:15, meetings were held in the Student Council Portable. Some of the activities that took place were two talent shows, a football parade, 4 dances, a prom, Grease, Slave, Camera and Ring Day. Also, there was a Dress Back Day, and a Frosh Queen.

One highlight of the year was the purchase of the school mascot, Billy Bomber.

The officers this year were:

President - Roman Zydownyk  
Vice President - Barb Frlais  
Junior V.P. - Jim Oliver  
Secretary - Shelly Miller  
Treasurer - Sharon Spence

## PAST PRESIDENT

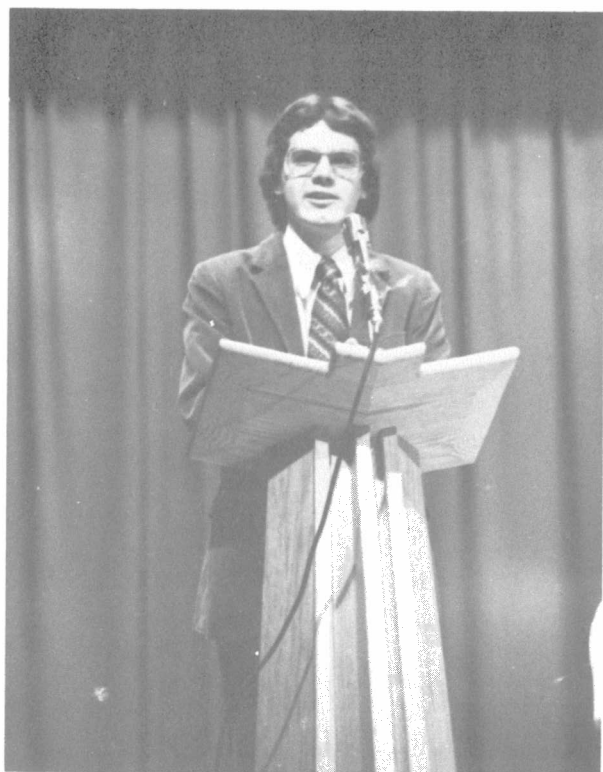

From the time we are born to the last moments of our lives we learn. We find out about survival and life's difficulties and struggles. But, alas, for the most of us this happens too late, usually once we are out of school. We are doing our own thing, in high school and the sad part of it is that many of us don't realize that in effect "our own thing" is much the same as saying "I couldn't care less." Thus failure, something generally not on the minds of students as they try to get through high school, because something different than failing academically.

Failure now can be defined as a struggle within one's ownself. By "doing your own thing" you have now set yourself apart from the rest of the school. The idea being that if the guy next to me doesn't want to get involved, I don't either. So failure becomes part of life and much more apparent, much earlier, even if it isn't realized.

How much time is wasted during a day looking for things that you can't find, and generally doing things in an unorganized, haphazard way? Surely time would pass more quickly if we filled every second in fulfilling our potentials and making our wildest want a reality. We would just be too busy for boredom, apathy, and frustration. We have a means to get changes brought about and the ability to execute our own ideas.

"People make events happen". It is people that make moments into memories, that give places personalities, that give dreams durability. Events in themselves are only times in life. It is people that make them "places"; places that may know the sun, feel the warmth, and touch the sky.

## NEW PRESIDENCY

Next year's president is an active member of the students council and the drama club. He is none other than Marty Grant. His nick name is "Twin Pines". Marty said, "I will do everything in my power to promote school spirit next year."

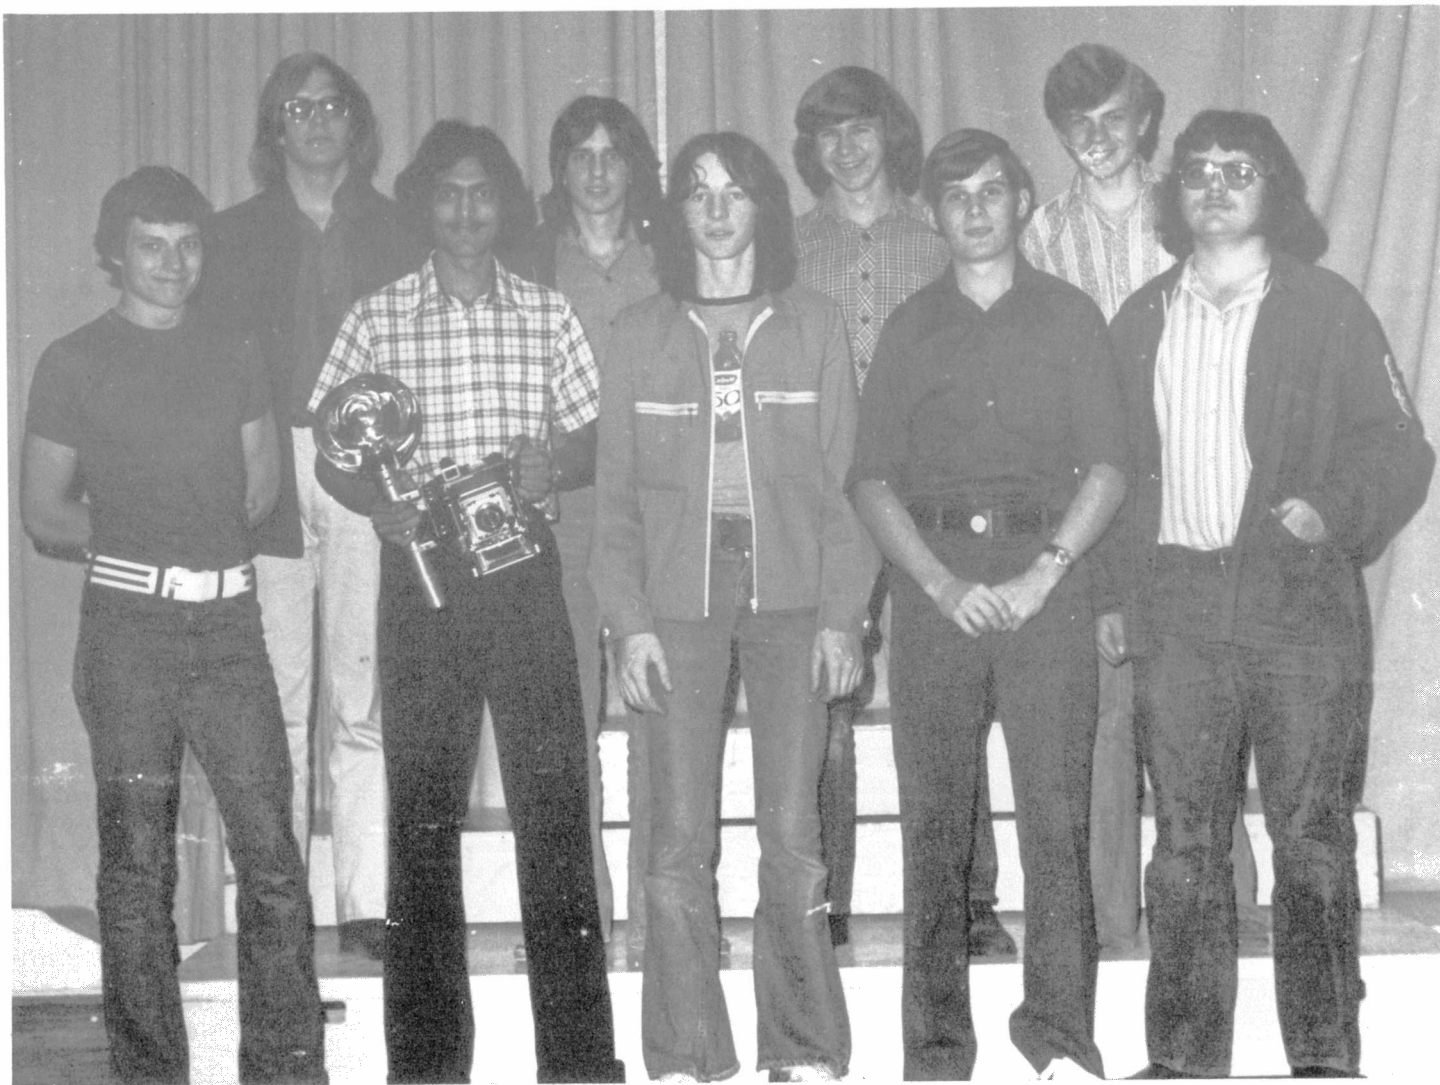

The new vice president is Todd Armstrong. Todd might not be known too well, but he has promised to do his duty, to do his best, and to serve his school.

The two politicians won by a margin in excess of 100 votes.

Good luck next year!

□ The Drama Club was directed by Miss L. Gibb who created a great interest in the drama club this year. The main purpose of the drama club was of educational value.

Creativity was developed by means of improvisational workshops (i.e. to show through practical methods some aspects of theatrical productions).

The drama club participated in many events this year. They took part in two productions, one for the public school students and one for competition in the Drama festival. They sponsored an outside Mime Show from St. Catherine's as a money making venture which was very successful. A trip to London was organized to see a live production of "Butterflies Are Free" which was an excellent performance.

A drama workshop was conducted by Ms. Jackie Crossland which everyone enjoyed.

The cast enjoyed three parties during the year and added a float to the football parade. Meetings were held Monday nights after school in Room 214.

## SPADES CLUB

Spades Club is a helping organization aided by Miss Coffey. Their events included things such as supporting a Child in India, taking favours to the elderly on Christmas and Valentine Days.

The executive were:

President - Bonnie Phillips  
Vice President - Suzanne Harrower  
Secretary - Martha Chysman  
Treasurer - Mary Wilcox

The meetings are held Tuesdays at 3:05 in Rm. 307. A horsebackriding and pizza party closed the year.

Members of the club are:

Bonnie Phillips  
Suzanne Harrower  
Martha Chysman  
Mary Wilcox  
Norine Verberg  
Cathy Verberg  
Janet Gudrie  
Jo-Anne Gudrie

# LIBRARY CLUB

Library Club under the leadership of Mrs. Barkwell, helps people to get to know the library; how it operates and the use of encyclopedias and periodicals. The executive this year were:

President - Cathie Buck  
Treasurer - Cyndy Knox  
Secretary - Peggy Lystra

Their activities included 2 raffles for a stuffed dog and a cape and a bake and book sale. Also a trip to Greenfield Village and Fisher Theatre was planned.

The Library Club meets once a month in the Library Seminar Room.

# THE SOUTHERNER

This year 73/74, the Southerner was under the direction of Mr. R. Shaver and Mr. A. Wells.

Editor in Chief.....Mario Galizia  
Assistant Editors.....Tom Lefaive

Peter Sparks  
Carol Eagles

Reporters.....Gerald Van Dam  
Gerry Lalonde  
Paul MacDonald  
Cathy Swift  
Dan Hansen  
Cindy O'Dell

Photographers.....Bob Cramer  
Jeff Sloan

Advisors.....A. Wells  
R. Shaver

This was the staff of the Southerner.

The main purpose of the Southerner was to provide the general student body with a source of school information and a vocal platform in which students could voice their opinions. It also provided an opportunity in which students could develop their interests in journalism.

Some of the changes made this year included tabloid printing, pictures and advertising. The pictures and tabloid printing were added to improve the appearance of the paper. The advertising was added to cover the cost of the changes.

Mr. Shaver has been quoted as saying, "This year's staff has been the most ambitious, best co-ordinated, hardest working group in the paper's five year history." The results are obvious. Average circulation used to range in the area of 225 copies per issue. This year the average has been near 800 with top sales at 910.

The Southerner meets monthly to bi-weekly in room 203.

# AD ASTRA

From the editor of Ad Astra '74, Barb Evans:

You now have your yearbook in your hot grubby hands and it's time to find out who put it there! (We wondered if we would have the chance ever to actually see it in print!) Many, many hours of very hard work go into a yearbook. Most of the staff this year were "greenhorns" which made it double hard.

The staff listed below has my gratitude for all the help they gave me in my job, as well as doing their own. Our photographers were terrific and my "major typist", Loraine Kozera deserves a gold star for her magic fingers. Thanks 'Killer'! Then there were students not on the staff who volunteered their time. Libby Bround, Jo-anne Sharp, and others too numerous to mention. You know who you are, so thanks.

Last, but not least, there is Peter Arthurs. Without his understanding and his cooperation, I'm sure this job would never have been completed. He is a true teacher and a true friend. In closing, I hope this year brings happiness and peace of mind to each and everyone of you and that your future may satisfy your needs and goals.

## POLTERGEIST

I am, simply,  
the beginning of an end: the end of a life that was spent  
in the natural world.

I am the result of a lifetime of years spent in a body  
formed from the egg born in a woman, fertilized by a  
man, producing a new being that was cast (without fair  
warning) into the ugly beauty of your world.

With no weapons but my innocence, I grew and became  
the image of man.

Hate, prejudice, jealousy, fear, anger, killing, fighting,  
destruction (to name but a few) became a part of me.

I knew love and its affection only second to these.

I played your game of life to the end, and would have  
gladly sought my own end; but I was indebted to a family  
like every other sucker before my time

I died by some invention of yours ("a series of physical  
ailments attributed to mental disorders")

I am at peace,  
in the world of the supernatural;  
But yet you seek to find me, in an "investigation of the  
unknown"

I am eerie, hollow footsteps along the hall at night,  
the cold draught when no windows or vents appear to be  
open,

the mysterious illumination in the dark,  
the movements of objects without the human hand,  
the whispered breaths upon the wind,  
the awakenings of your unconscious mind.

Acknowledge that I am here, but let me alone

My destiny is a search for my identity as a spirit.

Eva Virtanen Grade 12

## A HUNDRED TIMES

Miss Bush was pretty. So much prettier than any other lady he had ever seen. That was all Allan could think of since the new term began.

"Allan have you been listening to me?" she asked suddenly. He felt his cheeks grow hot "N-No Mame". Then please step to the blackboard and write a hundred times, "I must pay attention in class." Allan obeyed. He stood at the blackboard and wrote until the chalk in his hand disappeared, while the rest of the class did mathematics. When Allan returned to his seat George, who knew how Allan felt, whispered, "Allan loves Miss Bush." Allan reached over and punched George.

It was true but the way George said it made it seem like something dirty.

I must never strike George

I must never strike George

I must never strike George

When Allan returned to his seat George said, "I'll get even with Allan." When Miss Bush looked at them, George said "Allan said it."

I must never talk in class

I must never talk in class

I must never talk in class

I must never talk...

GEORGE? He became class monitor. Allan was on his best behaviour but

I must never talk in line

I must never spit on the floor

I must never...

Allan hadn't done any of these things. But who wanted to argue with Miss Bush?

Then came the big Math test. There was George turning his paper right towards him.

I must never cheat on a test

I must never cheat on a test

I must never cheat on a test

Of course Miss Bush called Allan's parents. "I'll try to do better, really I will "he promised". "I've been having your son do a little writing on the board," said Miss Bush. "Oh, yes, a hundred times." Allan's mother smiled, "When I was young..."

It did no good. Allan kept paying for misdeeds that George did and arranged for him, writing until his fingers ached.

"The Board of Education provides us with plenty of chalk," Miss Bush said grimly...

I must never shout in the halls

I must never shout in the halls

I must never push in line

I must never push in line

I must never write on the walls

I must never write on the walls

I must never swear...

At least his rows were getting neater.

One morning Allan arrived at school a little late and the staircase was empty except for George standing at the top of the staircase with a big grin on his face. "Destroying school property, eh Allan?" He grabbed Allan's text books and started tearing out pages. The second bell rang. There was too much noise for anyone to hear "You're late" Miss Bush started to say when Allan entered the room.

He picked up the piece of chalk and started writing.

"Allan go to your seat until I tell you to do that," said the teacher, but stopped when she saw the white words forming on the black slate!

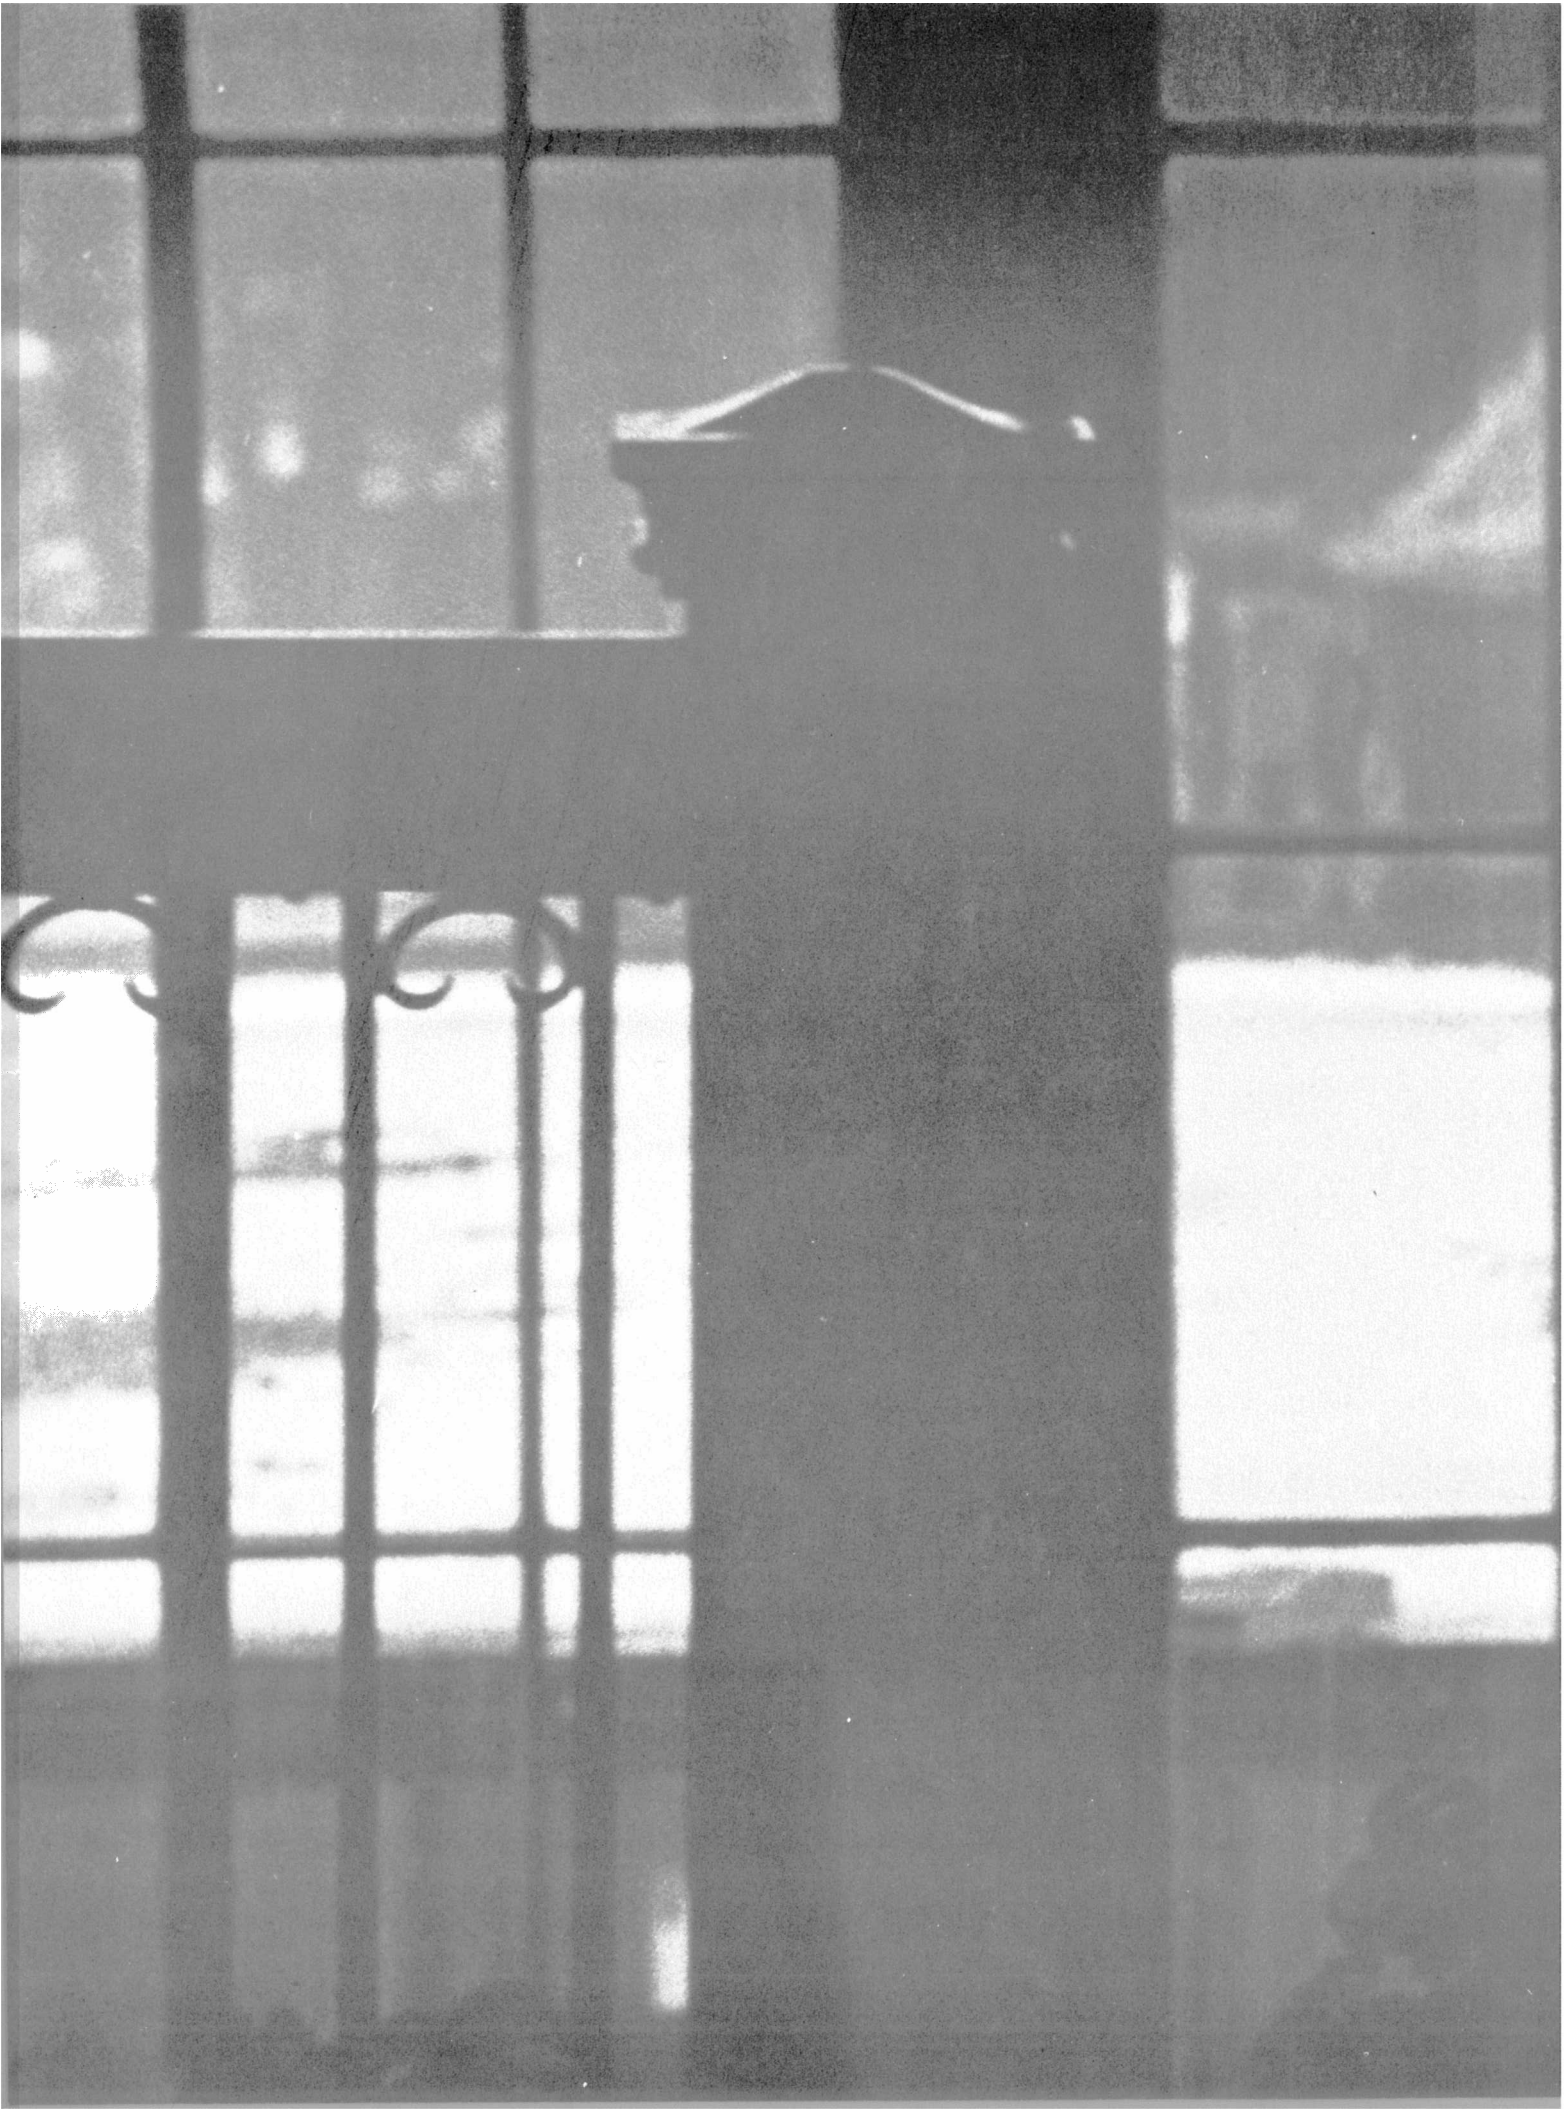

I must never push George over the bannister

I must never push George over the bannister.....

I must never push George over the bannister...

## SILENCE CAN'T BE HEARD

Have you ever listened to silence, it's a beautiful sound,  
It's so crushing on your ear drums  
Which are covered by anxious hands;  
If silence is what you're after  
More than likely you won't hear it;  
You can't listen for silence, so don't even try.  
It comes upon quivering ears suddenly  
And catches them offguard  
But when you realize it's silence,  
Then you don't understand,  
Next try screaming so you can't hear a thing  
But that's not the same as silence anyway.  
Get a little up tight, your mind begins to think  
However, all that is heard is serenity  
And your senses are shattered  
To break down to the world of the deaf.

### The Smile Reflects

Your laughing eyes climb deeper into my sad  
ones and my affection is less. Don't be  
hurt by it I am concealing my loneliness by  
laughing with you and forgetting why  
here anyway the fog has lifted and I  
close my mind again WASTE ONLY and then a  
green light if only hands that reach  
could touch your effervescent smile someday  
they'll be gone my loves  
and  
I'll be alone knowing I meant to tell you all  
instead of letting this smothering sadness  
tell you  
nothing  
You joke with me not knowing the  
smile  
hurts inside and I watch you  
disappear  
around the corner  
hoping  
you'll  
never  
always  
come  
back  
and  
ask  
me  
why  
?

### Fog

Born of the ocean,  
Christened by God,  
The silken mist rises  
Over the land,  
Enfolding everything,  
With poise and with grace,  
Making it possible  
To see.  
Hour after hour,  
It rises at will,  
Gradually receding  
From where it had come.

What does my  
foot mean to me?  
Well, it helps me get  
to places where I

helps me keep  
time to music  
While it taps

keeping in

every beat. It  
really fits  
nicely into the  
shoes I slip

so that they will

"And you get up to your room until you learn to behave."

David climbed up the stairs and came to a stop at the bottom of the narrow hall leading to the attic door. The chiming of his mother's warning scratched in one ear while the call to the adventure rang in the other.

"Petro-engines fired?"

"Check."

"Pre-set activated?"

"Check"

"Okay, David, I guess all systems are go. Good luck!"

"Thanks."

"Ten seconds and counting, nine...eight...seven...six...five...four...three...two...one..."

David felt his hand turning the door knob. He eased it open slightly, slipped into the dense blackness and closed it once again. He felt for a switch. There was none. Easing into the darkness he saw the outline of something hanging from the ceiling. He reached for it. Light flooded the room. There were desks, chairs, and trunks all about. Spider webs trimmed everything. Before him an old sword was mounted.

"Avast ye swine. A merchant vessel to the starboard side! Set sails for it. Hoist the Jolly Roger!"

David took it from the wall and whirled violently.

"Ye'll not take me without a fight, Bluebeard!"

"Sir, the pirates are closing in!"

"We must hold him in the name of the King."

David put the sword back up and walked over to a basket of old clothes. He held up an old army jacket. He slid his right arm, then his left in to the large sleeve openings.

"Let's get these bloody tanks moving out. Transversal left vertical ten degrees."

"Yes sir!"

"We're going to take the hill or die in the attempt. Fire on that machine gun neat! Set range four hundred yards."

"Locked in. Firing one."

He put the jacket back into the basket, fumbled through the rest of the things, stood up, moved across the room to another box, blowing the dust in his path. He

reached down and took hold of a gangster hat. He fixed the crease on the top and placed it on his head.

"We have the building surrounded. Come out with your hands up."

"Come and get me, Coppers."

"Davy, this is your last chance. You have three minutes before we start shooting."

"You might as well save yourself the time and start firing now."

David looked up at the old tennis racket hanging under a pair of skates. He took off the hat throwing it in the direction of a coat rack across the room. He took down the racket, stepped back, and made a couple of backhand motions before returning it to the right place. With that he turned and strutted over to a black trunk. On the top of the heaping contents was a dusty gray baseball mitt. He wriggled his finger into the finger slots and shifted his hand around until it became comfortable.

"And it's the bottom of the ninth here in the New York with the Mets trailing the Cardinals by a score of three to two. We have one man on, two outs, and Dave Robinson coming to bat. The Mets are taking quite a risk sending in a rookie to pitch hit against this magnificent St. Louis hurler, Bob Gibson. Gibson checks the sign...sets...and delivers. It's a long belt! It's going...going..."

David put the glove down on top of the pile and closed the lid. Across the room was a box of old shoes. Finally, after digging through it he emerged with a pair of mukluck boots.

"I thing the blizzard is breaking, Sir."

"Good! We Must be close by now, I know we must! Good Lord, my compass gas gone mad!"

"Sir, you don't mean..."

"Yes. Our prayers have been answered. All gather round. On this December 14th, 1911, I Roald Amundsen, hereby claim the discovery of this the South Pole for Norway..."

"David! What are you doing? You know you're not supposed to be clowing around up there. Come along!"

His mother grabbed him by the arm and began to lead him down the stairs. He twisted and flung her arm away.

"I don't want your stinking blindfold!"

# ART HAPPENS HERE!

This year the Art Department put on a display for fellow students, teachers and friends. Scits talent was set up in the art rooms and open house was held. Coffee and cookies were served to the guests. A large number of public school students came to view "The Happening". All in all, it was a success. It is hoped that this event will become a regular at Scits.

## FROSH QUEEN

For the grade nine girls, the one favorite event that takes place is having a Frosh Queen.

A dance is held and the crowning is then taken place. The 1973 Queen was Kim Fields. Her escort was Mike Packer. First runner up was Pam Free, escorted by John Shymko.

The other runners up were Robin Jarvis escorted by Roman Zydownyk, Lorraine Dutton escorted by Mike Wallace, and Carol Evans escorted by Steve Groves.

## MIME THEATRE

The Canadian Mime Theatre, started in 1969 and is a non-profit organization.

Adrian Pecknold's theatre presented to the SCI students "Mime over Five", a selection of sketches and skits directed by Mr. Pecknold himself.

The programme was as follows: 1) Balloon 2) Traffic Cop 3) Squeak 4) Samura 5) Vic Tanny's 6) Piano forte 7) The Wedding 8) Final Fitting 9) Doctor's Waiting Room 10) Audience 11) Silent Screen.

Pecknold claims his greatest achievement was the appearance at the second International Youth Theatre Festival, held in Sofia, Bulgaria, where his performance lasted 19 curtain calls.

# POSTURE QUEEN

1974 S.C.I.T.S. Posture Queen, was Brenda Harrett. During the week of Jan. 8-16, each girl was given a blue "S" which they had to wear, where it could be seen. If the girls did not follow the requirements their "S" was given away.

The girls that were left with their "S", went through eliminations and finally five girls were picked.

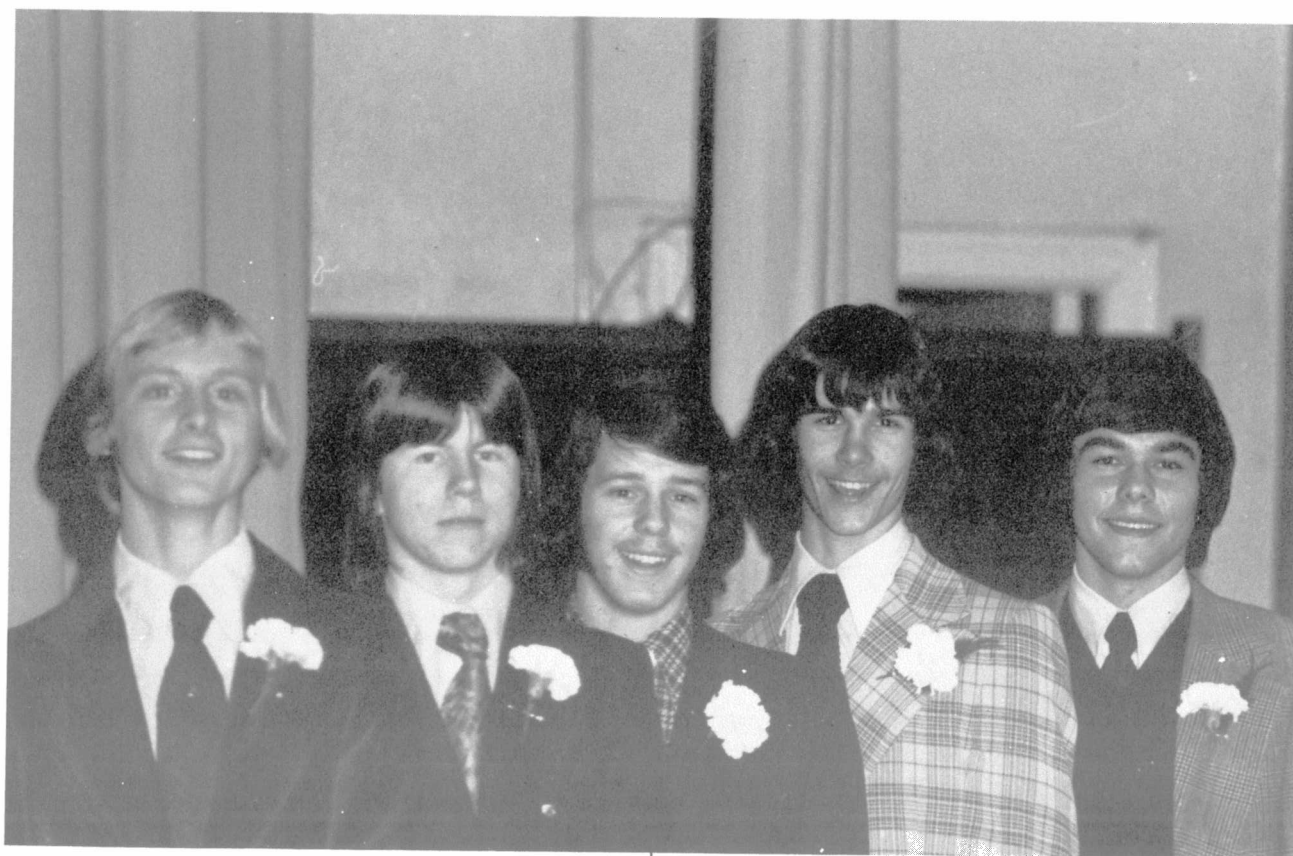

On the 16th an assembly was held, and the crowning took place. The first runner up was Shelley Hick, second was Becky Wellington, Cheryl Mann was third and Leslie Tang was fourth.

Each girl was given an identification bracelet and the Queen was given a dozen red roses.

# ANNUAL COMMENCEMENT CEREMONIES

Like this year and every year we had our Commencement Cermonies.

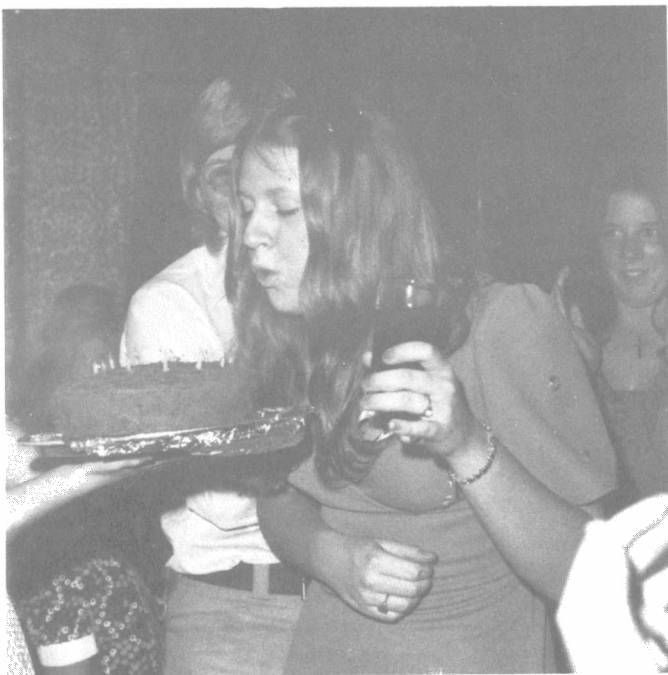

This year, the Valedictory Address was given by Susan O'Dell. There were about 28 different types of scholarships and awards given.

The Mr. J.A. Saunders Recognition award was won by Susan O'Dell and Paul Mitchell.

The musical selection was given by our own Symphonic Band.

On the Friday morning our special awards assembly was held. Honour certificates were presented to grades 9, 10, and 11. Also, three year honour pins were given out.

## DARING CAPER

A group of young notorious Gr. 13 boys decided that one night they are going to have some real fun.

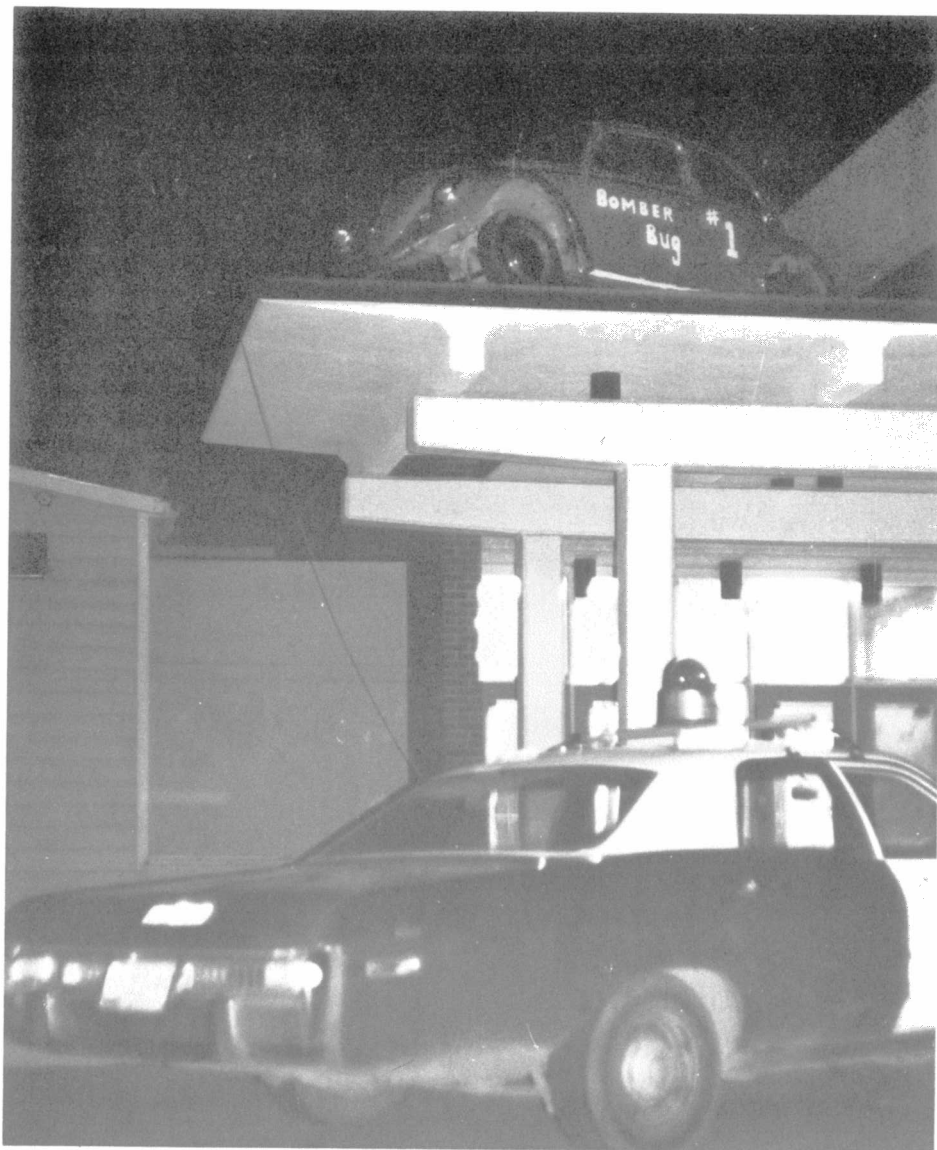

The whole thing took about two weeks to accomplish, and took place under a shroud of secrecy.

The night came, and then ten men had succeeded in pulling a Volkswagen up a vertical wall unto the roof.

As they were tying down the car, someone yelled, "the cops!"

Majority of the students managed to slide through the arms of the police. The officers took the incident as a little bit of fun, but the school board labelled our heroes as "vandals, hoods, criminals, and over-all bad guys."

*LEFT: The "Bug" on top of the school.

## DRAMA FESTIVAL

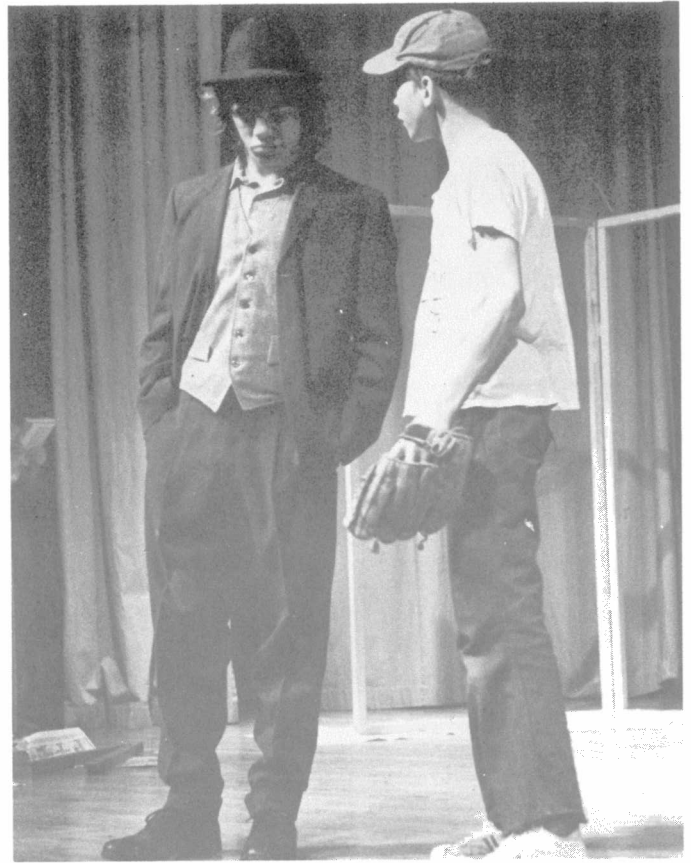

The Annual Lambton County Drama Festival was held at SCITS. This year's competition was comprised of four plays, Bird Bath, Rinse Cycle, Coming Through the Rye and the Book of Job.

The SCI production was under the guidance of Miss Gibb. Miss Gibb also acted as makeup girl.

Bert Kowaltschuk the adjudicator awarded St. Clair as the best production.

Dean Hardy of SCI was awarded best individual actor award. Dean played the portrayal of Mr. Carroll.

*RIGHT: Dean Hardy and "Dutchy" as seen in the festival.*

## YESTERDAZE ATTIRE

The Student's Council decided to break the status quo of school attire and had a dressback day.

The teachers even participated with Mr. Burrows coming to school looking like Judge Roy Bean.

The different types of clothing worn were clothes from the twenties, thirties and the most popular, the "Greasers" of the fifties.

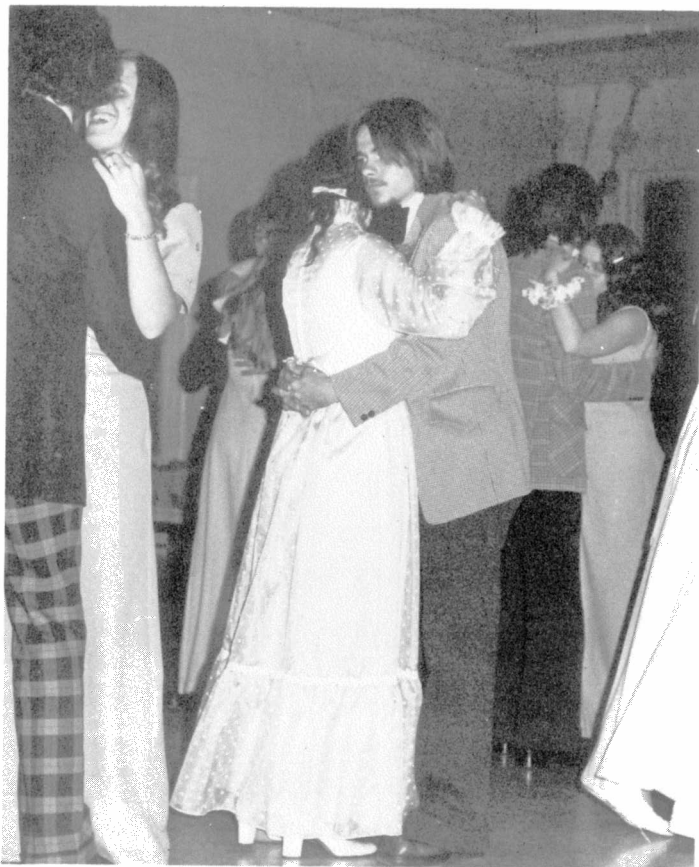

*ABOVE: Mr. Burrows and Mr. Alexander pose with some of our girls.*

# STAFF-STUDENT ATHLETIC NIGHT

Well, the night of decision came on Jan. 11, when the students played the staff in various games.

The night was put on by the B.A.A. Mr. Rome starred in the pie eating contest. He starved all day, so that he would win.

Some Stars of the night were Burrows, Alexander, Robinson, Allen, Rome, Archer, and good old Mr. Bennett.

## S.C.I.T.S.

## SPRING PROM

Once again, Scits Student Council decided to take a chance on promoting their own spring prom. Live music by the popular and versatile group "The Daily Male" was supplied to a group of about 50 young dancing couples on the eve of April 21.

Sandwiches and punch were served in the cafeteria, which was nicely decorated for the event. It is of interest to note the majority of the dancers were juniors. It's good to see them getting involved early instead of holding back until their senior years to get into the action.

Many thanks are extended to the teachers who acted as chaperones.

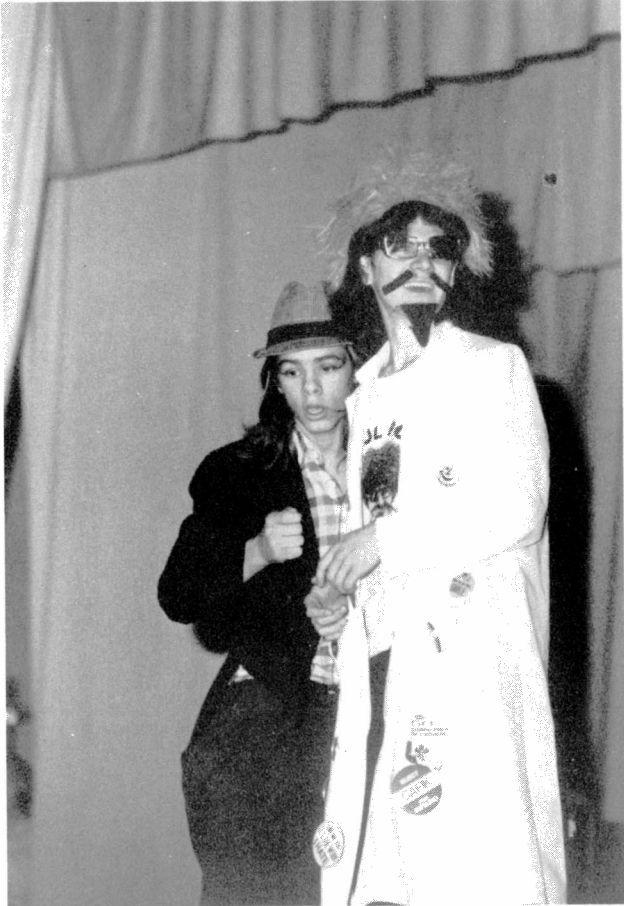

Council is to be congratulated on the fine planning and effort put into the prom, and the response shown by the student body is positive proof that the prom is still in no danger of extinction.

# TALENT SHOW

## ONE AND TWO

This year on Dec. 13, the Student Council presented their first annual talent show. The M.N.'s for the event were Peggy Fellows and our president Roman Zydownyk.

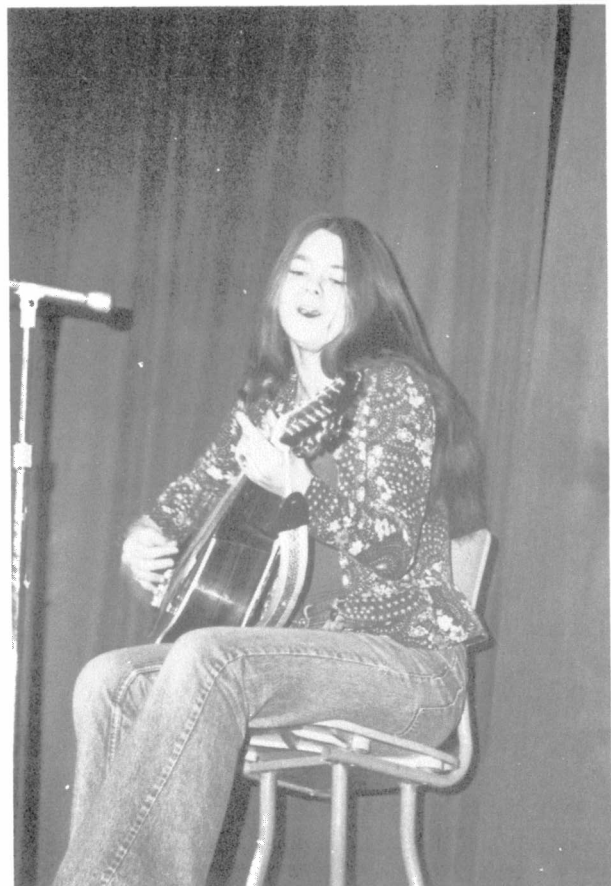

Some of the talents were Dean Hardy and Marty Grant in a Comedy Act, Cindy Dubois as Edith Anne and Geraldine, the Wallabunch and the Teachers Skit.

The first show was such a success, the second one was held on May 10. The directors were Beth Jarvis and Peggy Fellows. Janet Gardiner and Paul Reece were the M.C.'s.

The Wallabunch made a second appearance, and a new group was introduced, the Lollypop Kids.

The talent show ended with a tune from Stompin' Tom and his boys. Paul Reece played Tom, and he was accompanied by the "Cazoozee Twangers."

*PHOTOS: TOP LEFT: Dean Hardy and Marty Grant. BOTTOM LEFT: Karen, Steve and Becky Groves "sing up a storm". BOTTOM RIGHT: Linda Mason displays more of Scits natural musical talent!*

## BAND TRIP

From May 10-15 the SCITS Symphonic Band did a tour through Kingston and Ottawa.

Two nights, they stayed at billets, and the last night was spent in the luxurious Chateau-Laurier Hotel.

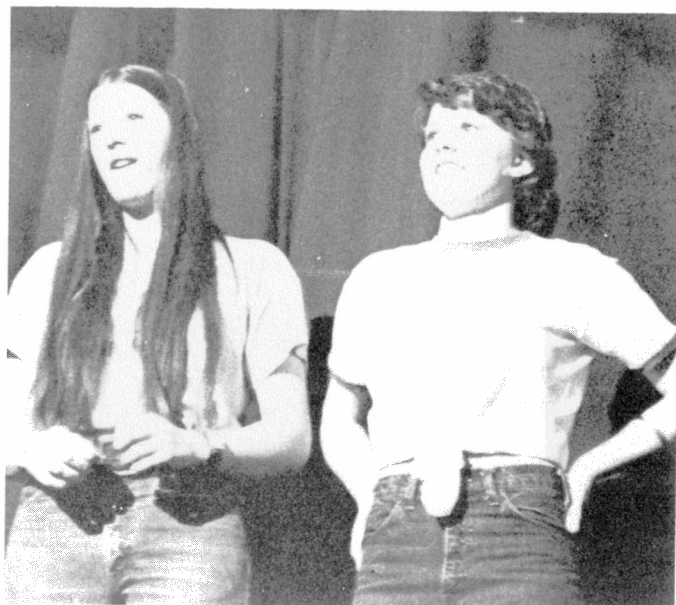

The band played concerts, and the audience especially liked the stage band "The Royal Blues."

In Ottawa, the band got their picture taken in front of the Parliament Buildings.

The final morning was spent shopping, in beautiful downtown Ottawa.

*PHOTOS: TOP LEFT: Gayle Jarvis, Dan Hansen and Steve Randall peek out at us from Kingston. BOTTOM LEFT: Roben Garrison and Janet Gardiner are slaves for a day! ABOVE: Some of the girls in the band.*

## SLAVE DAY

Again this year, we had our slave day. Present was a trader from the far east (Pete Sparks) who traded off some of his prize slaves, like Angela Moscone, Scott McKelvie, and Jack Popowich.

When a slave is bought, the slave does the work for the whole day. It can be from doing his homework, to feeding him lunch.

Slave Day is always a funny day, because you see girls carrying stacks of books for the boys. The slaves usually wear a crazy get-up of some kind. The day is held by the students' council.

# FASHION SHOW '74

The theme of this year's fashion show was "You've Come A Long Way Baby."

The show featured a comparison with old fashioned clothes on borrowed dummies used as stage backdrops.

The five sections of clothing featured in the show were 1) jeans 2) swimwear 3) bathing suits 4) short dresses 5) long dresses.

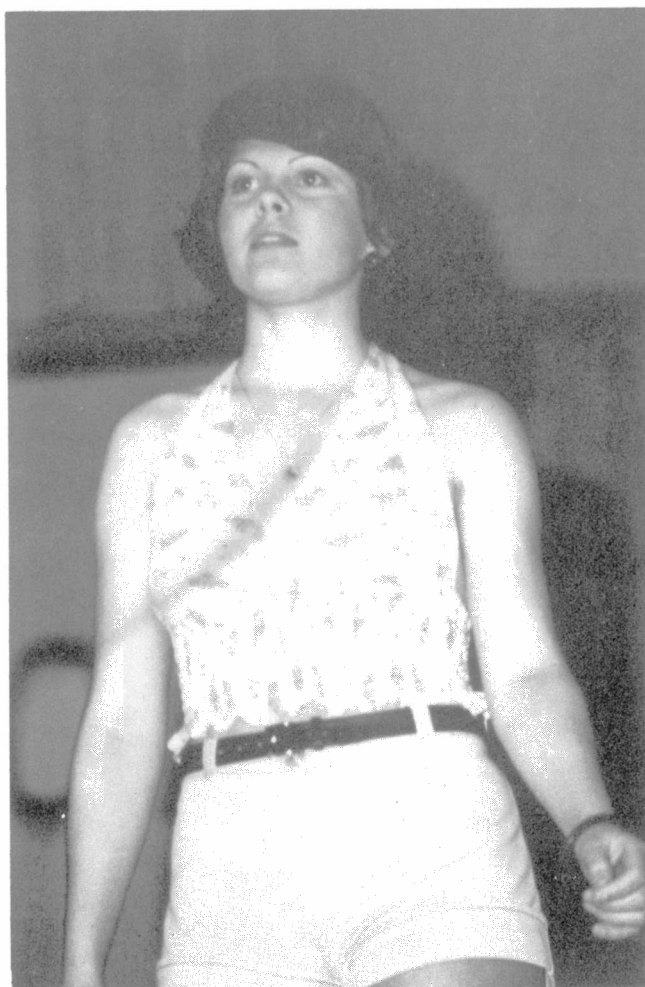

As the girls modelled the clothes old time music was played.

The clothes were supplied by Britts, Lindor and Parade of Fashions, while the dummies were borrowed from Sears, Woolco and Singers.

Cindy O'Dell did an excellent job as narrator.

*TOP RIGHT: Colleen Murphy is shown posing with one of the dummies. BOTTOM RIGHT: Janet Gardiner models one of the cool summer outfits. ABOVE: Mona Long wears a sharp jean set suitable for almost any season.*

## BILLY BOMBER

Some schools have tigers, horses, or other small objects as mascots, but good old SCI has a goat. This year's Students' Council came up with a brilliant idea of having a mascot.

A Billy goat was purchased, and Billy Bomber was present at every football game, wearing a little blue and white cape.

## WE'VE GOT A BUS!

Everytime the football, volleyball or soccer teams would go anywhere, it would cost \$36.00. There is only a \$1,000 budget that we are allowed, so it would be spent in the first three months of the school year.

But now, we have bought our own bus, and we can merge the excursion and transportation funds together.

The bus gives us a chance to go more places. At the moment the bus is yellow, but in the near future, the bus is going to be painted our school colours, 'blue and white'.

## CHEERLEADERS WIN CITY CHAMPIONSHIP

In the opening of the 1973 Lambton Secondary School Athletic Association Senior Football League, our faithful cheerleaders competed against the other schools.

With the excellent form and grace, the squad was rated the best in the city.

## ROCK GLEN

The Biology and Geography classes of Mr. Shiek and Mr. Bakker went to Rock Glen on May 24. The students all had an assignment to do, so they worked hard in the morning and did some exploring in the afternoon.

Some of the students went swimming in the river, while others went rock hunting.

The afternoon ended when the bus was boarded at 1:45 to head back home.

## GIRLS' PHYSICAL AND HEALTH EDUCATION DEPARTMENT

The main objective of this Department is to expose students to various facets of physical and health education and to help them develop skills to maximum potential. This year new courses of Swedish or Modern Gymnastics (using hoops, balls, ribbons and scarves) and Fitness Appraisal Laboratory were added to the student's schedule. Modern Gymnastics is going to be included as a new event for women in the Olympics.

In addition to Miss Kostaniuk and Mrs. Thompson, Mrs. Harris and Mrs. Currie have joined the Girls' Physical Education Department. We are sorry to say that Mrs. Currie will not be teaching at SCITS next year. Her work during the past year has been greatly appreciated and the students will miss her in the coming year. Once again everyone will see Mrs. Vosburg strolling the halls in her romper suit.

Preparations are being made to introduce a Grade 13 Physical Education course in the near future.

## GIRLS' ATHLETIC ASSOCIATION

The G.A.A. executive for this year included Ruth Brown-President; Susan and Brenda O'Connor - Vice-Presidents; and Lorrie McIntyre-Treasurer.

1973-74 has been another successful year. Some of the social events were Hallowe'en Party, Gymnastics Demonstrations, Posture Queen Contest, Chocolate Bar Drive, Fashion Show, Pool and Pizza Party and the G.A.A. Awards Assembly. We congratulate Sue Payne for selling the most chocolate bars in the Chocolate Bar Drive.

For those involved in the G.A.A. activities, we convey a special thanks. Their time and effort has been appreciated.

# CHEERLEADERS

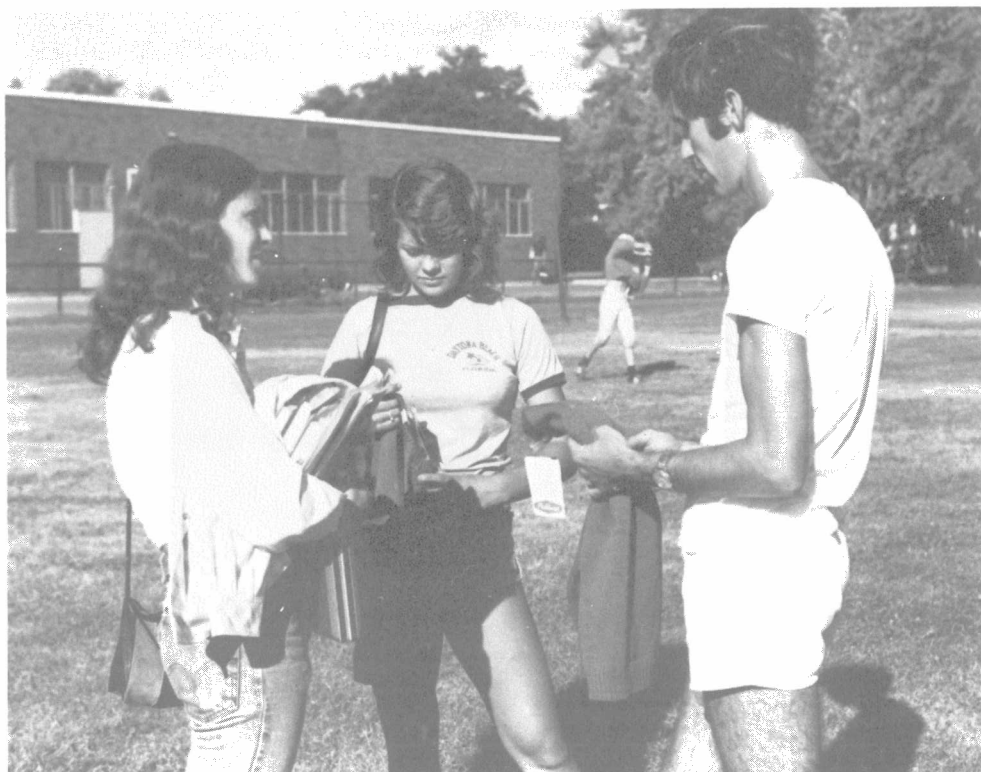

## SENIOR

The number of cheerleading enthusiasts was so great that both the senior and junior squads were expanded to twelve regulars and three subs. The senior cheerleaders were outfitted in new uniforms which may have been one of the reasons for their ranking Number ONE, in the county competition.

The girls deserve more credit for their hard work and heartiness in their efforts to raise the school spirit at SCITS. Mr. Scott must be very proud to be their coach!

**PHOTOS:** TOP: Senior Cheerleaders: Marna Mason [CC], Sylvia Mowe, Shelley Hick, Ruth Brown, Janet Gardiner [C], Janice Nisbet, Becky Wellington, Stephanie Paisley, Barb Squire. ON TOP: Debbie Cassidy, Cathy Starr, Cecilly Mills. BOTTOM RIGHT: Captain Janet Gardiner and Co-Captain Marna Mason are discussing the new uniforms with their coach, Mr. Scott.

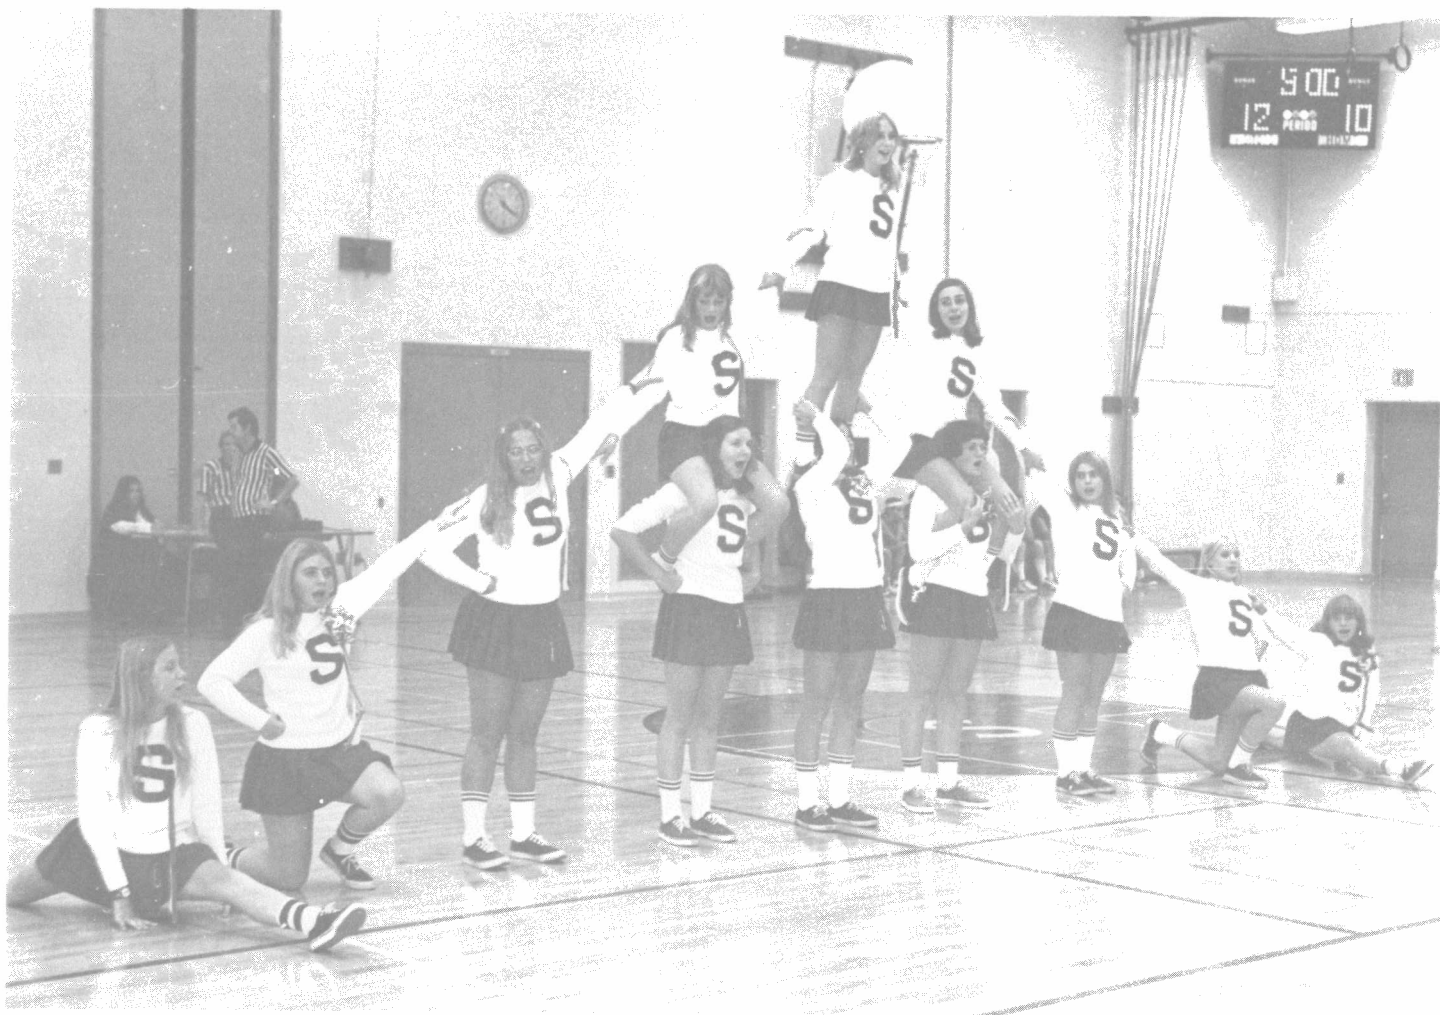

## JUNIOR

Our junior cheerleading squad is busy all year round also. Their cheering schedule is tight for they must attend all the junior boys' sports activities.

The experience obtained in the junior squad will ensure a good chance to be chosen as a senior cheerleader. Co-operation as a team is necessary for success as illustrated by these girls.

Mr. Scott spends many hours of his free time helping to develop their potential to the fullest.

*PHOTOS: TOP LEFT: Cathy Holman and Jill Atkinson show how the cheers are done! ## SENIOR

The senior basketball team placed third in Lambton County. Considering the number of injuries to their teammates, the girls did reasonably well. Many girls are leaving the team to further their education so the basketball team will expect to see some new faces on the court next year.

## JUNIOR

This year the junior team was made up of many greenhorns. With their hard work on developing new plays and skills they managed to improve their playing ability. Next year should prove to be more successful as the experienced juniors come back to challenge their competitors for a higher standing.

1974 should be exciting for players and spectators. Try outs are the second week in September, so girls be there! As for the spectators, we plan on seeing the stands packed, cheering the basketball teams to victory.

# GIRLS' VOLLEYBALL

## SENIOR

The senior volleyball team started out the season with great prospects but their competition proved to be more than they could handle. Miss Carter, their coach, came down with pneumonia right at the beginning of their rise to power. Miss Kostaniuk became burdened with juniors and seniors but the teams still managed to show their sportsmanship and skills throughout each game.

**PHOTOS: BELOW: Sr. Girls' Volleyball: FRONT ROW:** Cathy Hillman, Cindy O'Dell, Colleen Westfall [C], Colleen Murphy, Brenda O'Connor. **BACK ROW:** Miss Carter-Coach, Judy Armstrong-Manager, Roben Garrison, Cathy Carpenter, Lorie Gibb, Lorrie MacIntyre. **ABSENT:** Diane McLaughlin, Nora McLean, Chris MacKenzie. **RIGHT:** Lorie Gibb, number 15 and Cathy Carpenter practice their game with teammate, Cindy O'Dell.

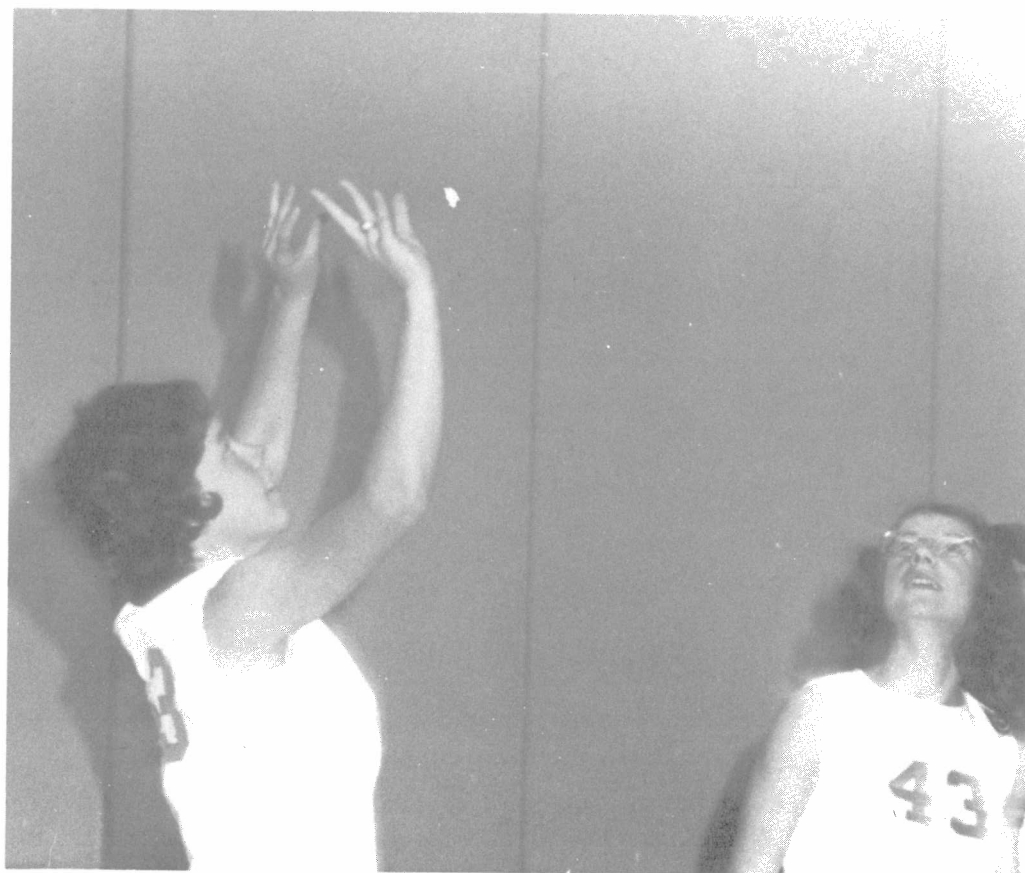

## JUNIOR

About 70 girls tried out for junior volleyball this year and Miss Kostaniuk had the difficult task of cutting them down to fifteen. As the season rolled by the team decreased leaving the volleyball enthusiasts to carry the team through the annual tournament in February. This sport requires considerable work and is not to be taken lightly if you plan to be an asset to your team.

# BADMINTON

The Badminton Club started shortly after the Christmas Holidays. Sunday afternoon practices were arranged for everyone interested. Mr. Hazzard was the coach and organizer of all Badminton activities.

The Lambton County Tournaments for both boys and girls were held the first week of April. The standing at SCITS was excellent.

WOSSA this year was held at London on April twentieth. Holly Campbell, Colleen Westfall and Lorie Gibb represented the SCITS girls' team.

Even with their success this spring, more enthusiasm for this sport would increase the competition in our school.

## GIRLS' GYMNASTICS

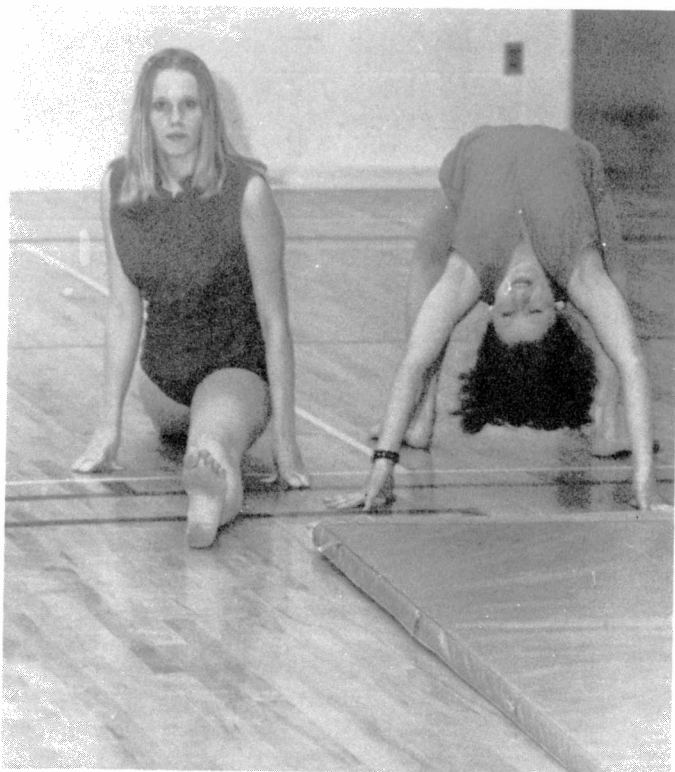

The SCITS girls Gymnastic Team did remarkably well as the Novice and Advanced teams placed second to Northern in the Lambton meet.

In the Advanced Division, Maureen Quinlin placed first in the unevens and in vaulting. Debbie Timmington placed first in floor exercise and second in vaulting. Both girls then advanced to WOSSA held at St. Clair, Sarnia where Maureen received a fourth in the unevens and Debbie placed fourth in her floor exercise routine.

The Novice team were involved in two meets which helped them to gain a little experience before the big Lambton meet. Penny Last placed first in vaulting and Denise Stewart followed close behind with a third. In the uneven bars Yolande Therrien placed first and Mary Peachy received a third. Yolande then went on to WOSSA to compete and placed third.

The girls Gymnastic Team has added quite a few new members to the group and under the supervision of Mr. Scott and Mrs. Currie as their coaches, hold great expectations in store for the coming year.

# GYM CLUB

To get in shape this year the 25 Mile Club was organized. The first two girls to finish the 25 miles were Tracy Ballentine and both from grade nine. To all those who participated this spring, we hope to see you running the halls in 1975.

Following this, track got underway in preparation for the annual Track and Field Meet at Northern. The girls proved to be close competitors for the other schools as they placed a close second in the Junior Division. Brenda O'Connor received the trophy for the Junior with the most individual points.

Girls, don't get lazy at the end of the year. Get in shape for the bikini weather by joining the Track and Field Team.

## DANCE CLUB

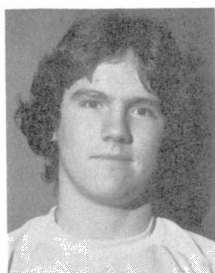

The SCITS Folk Dance Club participated in a festival at Alexander MacKenzie during the May twentyfourth weekend. They placed first in their table display and tied for first with Northern in the dance competition.

At night the two best dance groups from the festival performed with some professional dancers. The next day they performed at St. Pat's for exhibition. The SCITS girls received high compliments from a professional dancer on their execution of the difficult dances that they had chosen.

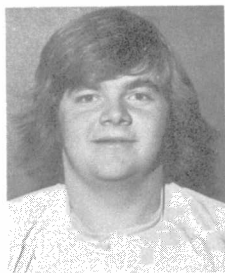

Their coach, Mrs. Harris, deserves a lot of credit for her hard work getting the girls ready for the competition. Marge Davey and Debbie Simich set up the table display for the big day. Nancy Badgely helped by making a few of the homemade costumes.

The Folk Dance Club is a new event in SCITS. The success of this year should ensure a larger and better group for next year.

## SENIOR

The first game of the season came with a 27-13 victory over the Fighting Irish of St. Pats. The Bombers were led by a rookie, Angelo Moscone with two td's, Randy Martin and Dan Thorne scored the others. In the second game of the season we suffered our first set back, a 24-12 loss to Northern Vikings. Chris Martin and Brian Charro scored for Scits.

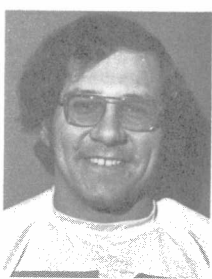

We rallied to our second win with a 12-8 decision against the Petrolia Lancers. Dan Thorner and Chris Martin scored the touchdowns. Our Bomber went all out and stopped the Centaurs of Centra

with Scott McKelvie scoring for Scits. Final Score--Scits 8, Central 0.

In the final game of the regular season we lost which took us from a first place finish with a 26-7 defeat at the hands of the winners overall, the St. Clair Colts.

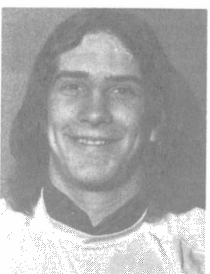

This lined 3rd place Scits against 2nd place Northern. Although the Bombers fought hard and dominated play, we lost a heart-breaking game of 7-6 in the last few minutes of the game. This ended another season for the championship-prone Bombers.

## JUNIOR FOOTBALL

The junior football team didn't win many games this year but they didn't lack the spirit and strength to have a winning team. The team racked up a 1-win, 4-loss record to the dismay of head coach, Rick Allen.

The boys beat themselves in many of the games by fumbles and foolish mistakes. Coach Allen is looking forward to a successful season next year although many good ball players will be lost including co-captains, John Frangis and Paul Sheiman. Other stand-outs for the team were Brian Crombeen, Lou Cicchini, John Hicks, Cam Kohut and Dale Armstrong.

ABOVE: Chris Martin accepting the "Male Athlete of the Year" trophy from Mr. Hazzard.

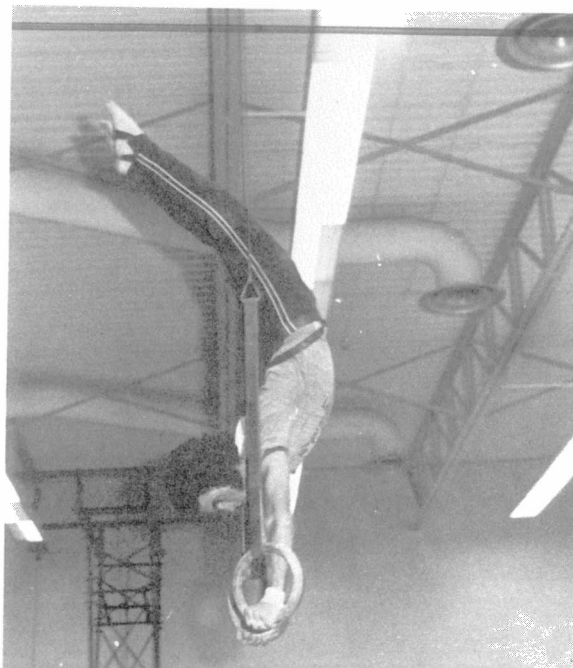

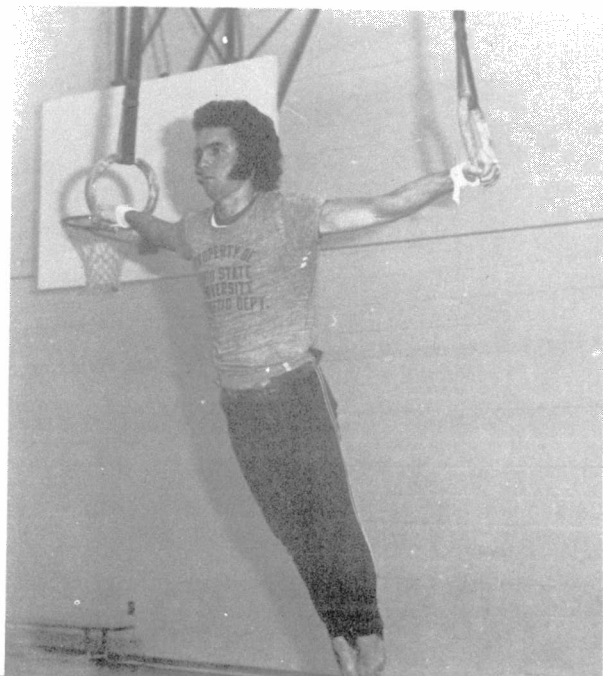

## BOYS ATHLETIC ASSOCIATION

For the first time in several years an attempt was made to run a B.A.A. It was neither successful nor a complete flop. If another attempt is made next year, what was learned this year would prove to be a valuable guide.

The two successes in my opinion were the Games Night in November and the staff-student athletic night in January. The latter was enlivened this year by some contests between the two teams, i.e. egg toss, three legged race, pie eating and sack race.

The B.A.A. was directed by Mr. Hazzard.

In our own school, we have some fine gymnasts. One of our seniors who has left us this year is Mike Packer. Mike has always been involved in many areas of athletics but seems to excell in gymnastics. We see a great future for this guy and wish him the best! Below, Mike is seen working out.

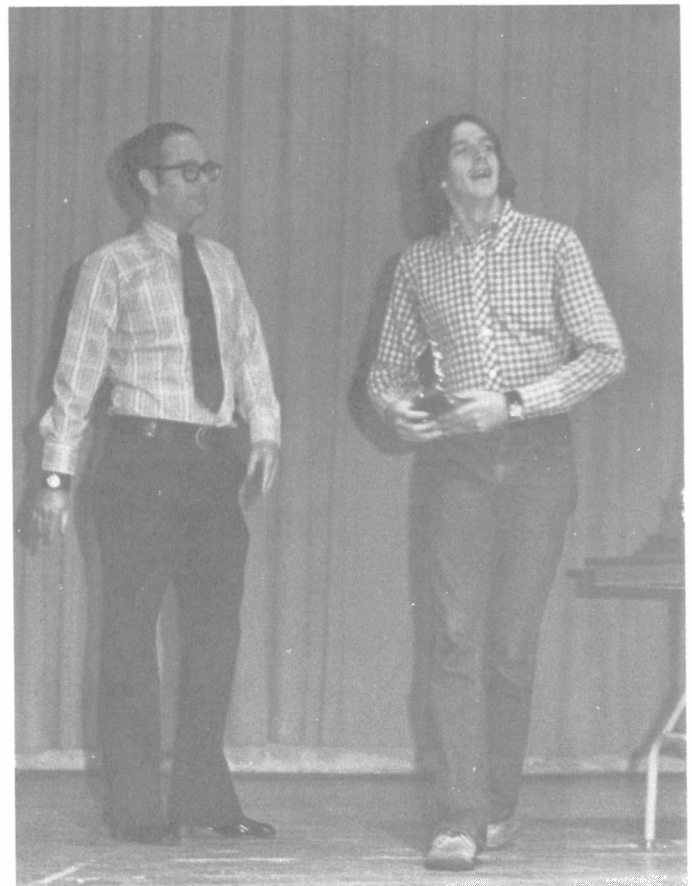

## SENIOR BASKETBALL

Sr. Basketball is a word well known around Scits as was the performance shown on the part of the players. Under coaches, Rick McLellan and Rick Allen, they managed a playoff spot where they quickly and neatly eliminated the St. Clair Colts. The Bombers advanced to the championship in high spirits and the fans were great, giving the boys lots of support. But both were denied the "thrill of victory" as Central defeated us 2-0 in the best of three series.

*PHOTOS: ABOVE: Dan Thorner and Terry Smith hack around for the camera. Believe it or not, they actually do play basketball! RIGHT: Basketball superstar, Dan McHenry walks off with the most valuable senior basketball player award. Mr. Hazzard stands back in awe. Way to be, Dan!*

## JUNIOR BASKETBALL TEAM

Co-captains for the Jr. Basketball team were Tony McKegney and Ed Litrenta. The team did fairly well considering that many of the players were rookies. Their best game was played against Central. It was very close but Scits overcame the tough competition. Coach Puppi feels that next year the team should do much better with a come-back of experienced players.

*PHOTOS: ABOVE: BACK ROW: Mr. Hazzard, Terry Simpson, Paul McDonald, Bill Norton, Dave McRae, Paul Redmond. FRONT ROW: Rick Godin, Steve Tang, Walt Farr and Brad Caw. BELOW: Coach Hazzard doing some paper work.*

## BOYS JR. VOLLEYBALL

The boys junior volleyball under the direction of Mr. Hazzard was relatively successful. Out of seven teams they placed third, but unfortunately they were defeated in the playoffs by the eventual champions.

The main purpose of this organization was to teach the skills and values of the sport and to prepare for the LSSAA competition. This year's captains were Paul McDonald and Terry Simpson. The practices are held after school during Sept. and Oct. in gyms A and B.

## BADMINTON CLUB

Badminton club was under the direction of Mr. Hazzard in preparation for the LSSAA competition, WOSSA competition and an exhibition match at LCCVI. It also provided a social activity for people with nothing to do between 1 and 4 on Sundays during the winter. Meetings were held in Gym AB.

The members did well in LSSAA competition this year.

Boys Singles - 1. Terry Smith 2. Mark Kilbreath

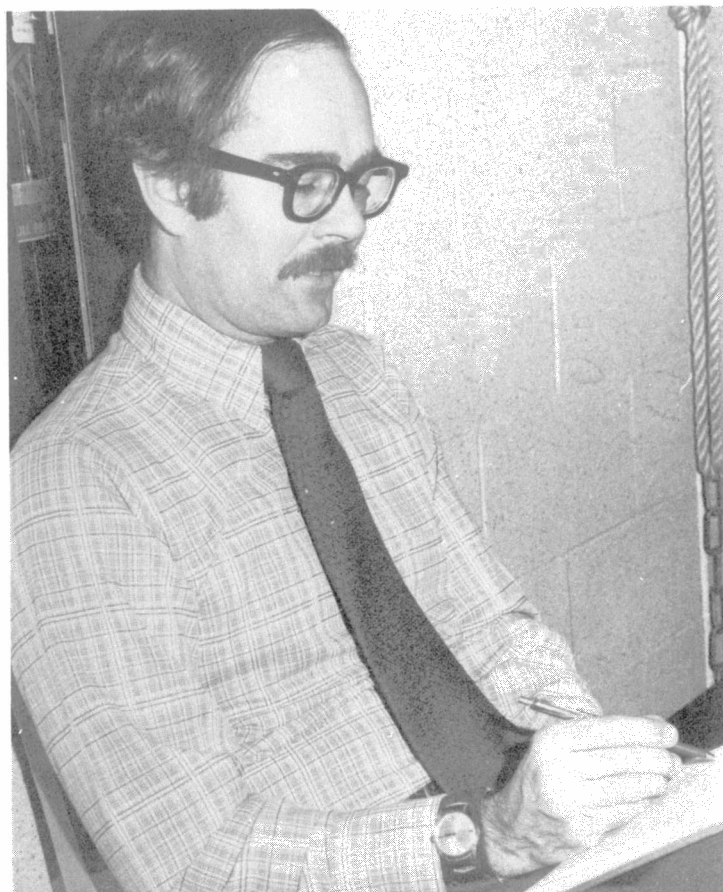

Girls Singles - 1. Holly Cambell

Boys Doubles - 1. Dan Thorner, Greg Langis

Girls Doubles - A. Division - Colleen Westfall, Lorie Gibb

B Division - Ruth Brown, Cindy O'Dell

Badminton play this year was curtailed by a world shortage of shuttlecocks, for the 3-day work week in Great Britain and the oil crises.

# TRACK AND FIELD

This year's track and field team was very successful under the coaching of Mr. Hazzard and Mr. McLellan. Although dropping short of a first place finish, Scits did manage a third place finish in final team standings. There were many good players but some stand out more than others. Such are Brian Crombean (who placed second in the midget division and in the individual standing), Randy Martin, Pete Sparks (who placed second in the senior division) and Mark Kilbreath.

*PHOTOS: LEFT: Pete Sparks tackles the hurdles. BOTTOM LEFT: Brian Crombean winds up and is about to let the disc fly. BOTTOM RIGHT: Don Berrill heaves the shot put.*

## SENIOR AND JUNIOR SOCCER

Although the mighty teams of yesterday are gone from Scits the determination still lives on in the hearts of her athletes. This also goes for our soccer teams. Even though they didn't make the playoffs, the spirit of Scits was always shown in their playing. Under coaches Carnagy and Robinson, the teams were well adjusted and organized. Just remember boys, "It's not how you win a game that shows your sportsmanship, it's how you lose it."

*PHOTOS: ABOVE: One of our stars, Rick Skuta, number 15 controls the soccer ball while the other team is closing in. An action shot of Rick is seen below.*

*Coach of the wrestling team, Mr. E. Tyro, "convers" with another great athlete, Mr. R. Allen.*

## WRESTLING

this year's team was led by veterans Herb Jarvis, Bill Warner and captain Wilson Guerette. Mr. Tyro was the "muscle men's" coach.

The team was mainly made up of juniors and show great potential for the next year. Wilson Guerette, Bill Warner and Herb Jarvis were all city champs with Guerette and Warner finishing 4th at WOSSA. The most valuable player award went to a deserving guy, Herb Jarvis. Scits is planning to hold an invitational wrestling meet next year with eight to ten teams being invited.

In the final league standings, Scits came in third. There were eight schools participating in this league.

### Members of the Boys' Wrestling Team

Wilson Guerette, Bill Warner, Cregg Morley, John Frangis, Al Murray, Mark Kilbreath, Herb Jarvis, Ralph Jarvis, Steve Greenwood, Mark Thompson, Bob Piliarik, Kim Pezzin, Fausto Bucci, Roger Kameba, John Seguin, Bob Young.

## PING-PONG TOURNAMENT

On March 15, SCI participated in a city wide ping-pong championship.

Many supporters came out to cheer.

The SCI senior team tied with St. Pat's for first place, and the junior squad finished second, one point behind Northern.

The event was held in our own gym.
